THE UNIVERSITY

Baylor University was chartered by the Republic of Texas in 1845 and is the oldest university in continuous existence in the state. As the world's largest Baptist institution of higher education and one of the nation's major academic church-related institutions, Baylor strives to provide liberal arts and professional education in a Christian environment.

Baylor emphasizes high academic and personal standards: its paramount, all-inclusive aim is to prepare well-qualified students to "make a living and make a life" in a democratic society. Students come to the university from all states, and over 60 foreign countries.

As of fall 1993, enrollment at the university numbered some 12,500. More than 200 social, service, professional, religious and honorary student organizations—from national fraternities and sororities to the nation's first collegiate chapter of Habitat for Humanity and one of the country's largest Baptist Student Unions—provide opportunities for recreation, development of social skills, spiritual and intellectual stimulation and pursuit of individual interests.

Cultural activities at the university include numerous presentations by prominent lecturers and performances by musicians and entertainers. In addition to offering varsity sports as a member of NCAA Division I and the Southwest Athletic Conference, Baylor provides an extensive, balanced program of intramurals. Facilities on campus offer opportunities for such recreational activities as bowling, racquetball, swimming, tennis, sailing, canoeing and boating.

LOCATION

Located on the banks of the Brazos River in Central Texas, Waco is a thriving city of 110,000 people. The city is very near the population and geographic center of the state; within 100 miles of Dallas, Fort Worth and Austin and within easy driving distance of Houston, San Antonio and the Gulf Coast.

MAJORS AND DEGREES

Baylor's undergraduate programs are available in the College of Arts and Sciences and four separate schools: Education, Music, Nursing, and the Hankamer School of Business. Undergraduates may choose from 147 baccalaureate degree programs. Dual-degree programs may be obtained on the undergraduate level.

Graduate work in 64 masters and 12 doctoral programs is offered in the College of Arts and Sciences, the Schools of Education, Nursing, Law and Music, and the Hankamer School of Business. Graduate degrees also are attainable at the College of Dentistry in Dallas and the U.S. Army Academy of Health Sciences in San Antonio.

ACADEMIC PROGRAMS

Baylor, a Phi Beta Kappa university and top one percent university for attracting National Merit Scholars, operates on a two-semester academic year plus two 6-week summer sessions. In the first two years, all students select courses that will provide a broadly-based liberal arts education. All students, except those in the School of Music, start in the College of Arts and Sciences. By the third year, students who wish to enter one of the other disciplines may seek admission to the desired schools.

Coursework is enhanced by opportunities to study beyond the classroom, including the university's international programs in more than 15 countries and hands-on experiences such as archaeological digs from Waco to Israel. One-year exchange programs are available with universities in England, Hong Kong and Japan.

COSTS

The estimated annual cost for the 1992-93 academic year is \$11,510 for tuition, books, fees, room and board but excluding personal expenditures and travel. Tuition is \$6,450 for 30 hours at \$215 per semester hour. Baylor is among the least expensive major private university in the country.

FINANCIAL AID

Four basic forms of financial aid — scholarships, grants, loans and campus jobs — are available based on merit and need. About 66 percent of the student body receive \$41.5 million in assistance each year.

FACULTY

Baylor has approximately 650 faculty members who teach 96 percent of all classes. The student-faculty ratio is 19:1, and a typical class numbers 35 students.

Dr. Herbert H. Reynolds
President

A native Texan, Dr. Herbert H. Reynolds became the 11th president of Baylor University on June 1, 1981. Dr. Reynolds has been instrumental in development of the entire University with over \$100 million of additional facilities built.

1993 Baylor Football Outlook

BAYLOR FOOTBALL QUICK FACTS

1992 RECORD: 7-5, 4-3-0 SWC 2T
BASIC OFFENSE: I-formation veer
BASIC DEFENSE: 4-3
STARTERS RETURNING: 10 (7 offensive, 3 defensive)
STARTERS LOST: 14 (4 offensive, 8 defensive, 1 punter, 1 kicker)
LETTERMEN RETURNING: 34 (16 offensive, 18 defensive)
LETTERMEN LOST: 21 (5 offensive, 13 defensive, 1 punter, 2 kickers)

A championship attitude. New Baylor football coach Chuck Reedy and his staff have put as much effort into instilling that elusive intangible as anything they've done since taking over last January.

They began by overcoming a late start to garner a recruiting class ranked anywhere from 10th to 20th nationally. "We should sign groups rated among the nation's best every year if we're going to win championships," Reedy said.

They then moved into Central Texas and among Baylor faithful everywhere to tell the story of a program committed to reaching the highest level. "We need fan support to get where we want to go," the first-year head coach said. "We want the fans as excited as we are."

They continued by holding a spring training which emphasized physical football, hard work and tremendous enthusiasm. "We have to practice like champions to play like champions," he told everyone in the program.

So now that his first spring is completed all the focus shifts to Reedy's initial season, one which should set the tone for years to come.

To win you have to have players and Reedy's first Baylor squad will not be without talent. As fine a group of running backs as Baylor has seen in years will work behind an offensive line rated among the best 10 nationally. A veteran quarterback returns, but the wide receiver positions are unsettled heading into two-a-days.

"I think we can be real good on offense," Reedy said. "I don't want to compare it, but I think we can be a good offensive football team. I think we just need to be a ball control offense, one that doesn't turn the ball over and put our defense in tough situations. If we can do those things, we can help our defense considerably."

The defense does have more holes to fill since eight starters were lost. The defensive front should be about as strong as its offensive counterpart. The secondary has talent, but probably needs some help from incoming players. The linebacking corps is still in the developing stages as well. The kicking game should be somewhat improved over a year ago.

Said Reedy, "I think our line will be the strong suit of our defense. I also think our linebackers, from an athletic

ability standpoint, are very good. They're just so, so inexperienced that we're concerned right now. It's going to take some time for them to become the unit they need to be. But, the athletic ability is there. I think we still have a long way to go with the secondary. We have a couple of spots that are still pretty much open heading into the fall. We need some help there, maybe from some incoming players."

If a handful of players can emerge and that winning chemistry carries over from spring training, Reedy's first edition could be one to remember.

Quarterbacks

13 J.J. Joe, Sr-3L, 5-11, 179
 10 Kevin Rhea, So-Sq, 6-2, 180
 7 Adrian Robinson, So-Sq, 6-2, 200

J.J. Joe enters his senior season with a chance to break virtually every Baylor career quarterbacking record. A three-year starter, Joe brings the complete package to Baylor I-formation veer attack: he can run, throw and lead the team. As a starter, the Academic All-American has led the Bears to two bowls while compiling a record of 18-9-1.

"We were very pleased with J.J.'s spring," Reedy said. "I thought he adjusted well to his new coach (Jack Crowe) and asserted himself as a leader. He was very consistent."

"What J.J. needs to do is execute and run the offense. He doesn't need to make that many plays himself, just get the ball to the right people and make good decisions."

Backing up Joe will be sophomores Kevin Rhea and Adrian Robinson. Rhea got the bulk of the work last spring while Robinson recuperated from arthroscopic knee surgery. He is considered a good passer.

Robinson has a rocket arm and is a tremendous threat running the ball. And his size makes him the ideal heir apparent at quarterback. Both young QBs lack the kind of game experience Reedy would like them to have.

Tailbacks

5 Brandell Jackson, So-1L, 5-11, 208/
 6 John Henry, Sr-3L, 5-8, 196

After an outstanding showing in spring training, Baylor people are comparing the 1993 Bear backfield's potential to that of the 1980 squad which featured Walter Abercrombie, Dennis Gentry and Alfred Anderson, a trio with 25 years NFL experience.

Sophomore tailback Brandell Jackson was simply stunning in the spring game, rushing for 257 yards on 24 carries. Reedy and Crowe would love to see him carry the ball 25-30 times a game, and it appears he is more than up to the formidable task.

1993 Baylor Football Outlook

Emerging from the spring listed as a co-starter with Jackson was senior John Henry. Switched from fullback, where he could still play if needed, Henry has always been solid. Now he's expected to be a standout.

"The beauty is, we can always have somebody fresh in the game. They came out of the spring as equals in our eyes, so they will be the two that carry the load," Reedy said.

Fullbacks

20 Robert Strait, Sr-3L, 6-1, 255/
32 Bradford Lewis, Sr-1L, 5-8, 203

The fullbacks won't have to take a back seat to the tailbacks this fall. Robert Strait had by far the best showing of his career in spring training. Said Reedy, "Robert continues to become a more complete football player, making progress in all areas. He's playing with more effort, running the ball better and blocking better. We expect him to have a big senior year."

Pushing Strait all spring and emerging as a co-starter was Bradford Lewis, a man with good experience and fine ability. Like the two-man rotation at tailback, the fullback

Wide Receivers

SE 83 John Stanley, Jr-Tr, 6-0, 180
SE 16 Lance Marburger, Sr-2L, 5-11, 189
SE 26 Chris McCloud, Jr-Sq, 6-1, 185
XB 25 Dustin Dennard, So-Sq, 6-4, 190
XB 12 Marvin Callis, Sr-1L, 6-0, 200

situation is well armed with talent and depth.

Initially expected to be an area of concern, the receivers, Reedy said, had a good spring showing. "I'm more pleased with our wide receivers than I thought I would be. We don't have a game-breaker, but some guys stepped it up and responded well and made lots of progress. With the people we have and the ones we have coming in, I think we'll be fine."

A junior college transfer walk-on, John Stanley, appears to have a good chance to play this fall at split end. Lance Marburger is a player who has had stops in the secondary and at quarterback while Chris McCloud is probably the best athlete in the bunch. He just needs some polish.

At the X-back spot another walk-on, Dustin Dennard, emerged from the spring as the starter. Dennard, whose father and grandfather both played at Baylor, probably has the best hands on the team. Marvin Callis, the only experienced returning receiver, brings good speed to the position.

The door is open for incoming players to contribute. Ben Bronson is an outstanding junior college prospect who could help immediately. Of the high school signees, Gerald

Tight Ends

86 Craig Bellamy, Sr-3L, 6-3, 240
81 Todd Crawford, Jr-1L, 6-0, 214
45 Donnie Laurence, So-Sq, 6-4, 225

Patterson is one candidate who could play right away.

Craig Bellamy moved from offensive tackle to tight end in spring training and everybody agrees the switch was a good one. While Bellamy is yet to be refined as a pass catcher, he does block extremely well as evidenced by his two years starting at tackle. And he's a good enough athlete to catch the ball consistently with a little more practice.

Todd Crawford and Donnie Laurence are men with some experience and talent. Both provide solid tight end depth. Entering into the picture this fall should be Damon Rhynes, a junior college transfer who was with the Bears in the spring but sat out most workouts with an injury. Healthy,

Offensive Line

LT 70 Bruce Nowak, So-Sq, 6-6, 270
LT 62 David Anderson, Jr-Sq, 6-6, 288
LT 78 Mike Oatis, Jr-1L, 6-4, 262
LG 65 Will Davidson, Jr-2L, 6-4, 274
LG 60 Hunter Hunter, So-Sq, 6-3, 290
C 77 Chuck Pope, Sr-1L, 6-1, 287
C 55 John Turner, So-1L, 6-4, 262
RG 69 David Leaks, Sr-2L, 6-4, 310
RG 63 Edwin Newman, So-Sq, 6-3, 278
RT 75 Fred Miller, So-1L, 6-7, 262
RT 71 Ricky Heard, So-Sq, 6-3, 275

Rhynes will receive considerable playing time.

Baylor enjoys the unusual luxury of having both quality starters and depth on the offensive line. Every position is manned by an experienced player and guys who have logged some time on the field are slated as backups.

At left tackle sophomore Bruce Nowak is coming off an impressive spring. He appears to be headed to a fine future, but first he will have to contend with Mike Oatis, who missed last season and spring with a knee injury. A year ago at this time, Oatis was considered the best offensive lineman on campus. Having him back allowed last year's starter at left tackle, Craig Bellamy, to move to tight end, a more natural position for him. And David Anderson provides solid depth.

So last year's starter, last year's projected starter and the starter from spring training are all available at left tackle. At the two guard and center positions a battle-tested veteran is back to start and is bolstered by a promising youngster getting ready to play.

Last year's top two left guards return, Will Davidson and Hunter Hunter. They provide a coaching staff's dream combination: a junior with two letters and a highly regarded

1993 Baylor Football Outlook

sophomore working as the understudy. A similar situation exists at center where Chuck Pope is the returning starting senior and John Turner is a sophomore letterman ready to step in. Right guard All-SWC performer David Leaks, a senior, is backed up by the solid Edwin Newman, a sophomore squadman.

Only at right tackle does youth prevail and that's just because it is so talented. Fred Miller, last year's starter at 235 lbs. who is now filling out his 6-7 frame with 262 lbs., should be ready for stardom. He is backed up by a heralded sophomore squadman, Ricky Heard.

Defensive Line

LE	49	Lamone Alexander, Sr-3L, 6-3, 210
LE	51	Daryl Gardener, So-1L, 6-7, 265
LT	94	Charles Horton, So-1L, 6-3, 280
LT	95	Joseph Asbell, Jr-1L, 6-4, 250
RT	92	Steve Strahan, Jr-2L, 6-2, 294
RT	64	Bryan Tanner, So-1L, 6-2, 214
RE	80	Scotty Lewis, Jr-2L, 6-4, 250
RE	91	Byron Thompson, So-1L, 6-5, 209

The strength of Baylor's defense will be the line where good quality and depth return. Baylor has always liked to have an eight-man set of linemen ready to play and it appears they do in 1993.

Lamone Alexander is a senior end who was the defensive star of the spring game. He's a veteran with loads of skill and experience. Backing him up is a player many view as having the greatest potential at Baylor, 6-7, 265 lb. true sophomore Daryl Gardener.

Right end is ably manned by former tackle Scotty Lewis. Moving Lewis outside allows him to use his outstanding quickness better. With a little more time at the new position, he'll be an honors candidate. The emerging sophomore Byron Thompson is his very capable backup.

Right tackle Steve Strahan, the leading returning tackler for the Bears, should contend for post-season honors as well. He teams with the highly touted Charles Horton, who holds down the left side. Quality rotation players at tackle are Joseph Asbell on the left side and Bryan Tanner and Earnest Crownover on the right side.

The linebacking corps features some good athletes and

Linebackers

SLB	19	Phillip Kent, So-1L, 6-2, 196
SLB	48	Sh. Washington, Fr-Sq, 6-3, 220
MLB	39	Chris Dull, Jr-2L, 6-3, 230
MLB	99	Tony Tubbs, Jr-Sq, 6-2, 227
WLB	44	LaCurtis Jones, So-1L, 6-1, 190
WLB	30	Justin Still, So-Sq, 6-3, 210

fine speed, but not much experience. All three starting linebackers are well regarded athletes who lack a significant amount of playing time. John Dull provides good size and range at middle linebacker and is coming off a fine spring showing. He's a junior who should be ready to shine. His backup, Tony Tubbs, is another one who has been around long enough to make a big contribution this season.

Phillip Kent was moved to the strongside from the secondary. He is a rare athletic talent just waiting to develop consistency and emerge. Shawn Washington is a young backup who has made progress. On the weakside, the speedy hitter LaCurtis Jones looks like a future honors candidate while former secondary player Justin Still has made strides behind him. All the linebackers need time to develop.

Defensive Secondary

LC	9	Tyrone Smith, So-Sq, 5-11, 171
LC	17	Tony Blockett, Fr-Sq, 6-0, 178
RC	11	Kendrick Bell, Jr-2L, 5-9, 160
RC	1	Raynor Finley, So-1L, 5-9, 171
SS	4	Andrew Swasey, Sr-1L, 6-0, 190
SS	37	Howard Antwine, So-Sq, 6-1, 175
FS	18	Chris Lewis, Jr-2L, 6-3, 187
FS	29	Jason Young, Jr-1L, 5-10, 180

The Baylor secondary is an area of concern, though not an insurmountable one, heading into two-a-days. Returning free safety Chris Lewis is considered a standout and the switch of Kendrick Bell from tailback to (right) cornerback was deemed a success. But the other spots are basically open heading into the fall.

Tyrone Smith, a sophomore squadman who came out of spring training listed as the top left corner, is a good prospect. His backup is a redshirt freshman, Tony Blockett, another talented player who needs time to develop. Neither have much experience.

The strong safeties are Andrew Swasey, a senior who has played some, and Howard Antwine, another sophomore squadman. Jason Young backs up Lewis at free safety.

There is room for several incoming players to

Kickers

K	93	Jarvis Van Dyke, So-Sq, 5-11, 161
P	98	Willie Shupp, Jr-Sq, 6-0, 180

contribute this fall.

Willie Shupp beat out last year's solid punter Rhett Delaney, so that vital chore should be well handled. Jarvis Van Dyke emerged from a gang of kickers to edge Ross Evans in the field goal and PAT department. It is hoped that the overall special teams aspect of the game will be improved.

Baylor Football Coaching Staff

Baylor's 1993 football coaching staff: (front row, left to right) Bob Cope, executive assistant head coach/secondary; Larry Fedora, wide receivers; Jack Crowe, offensive coordinator/quarterbacks; Ken Rucker, running backs. (back row) Robert James, defensive ends; Ron West, offensive line; Pete Fredenburg, assistant head coach/defensive coordinator/defensive tackles; Chuck Reedy, head coach; Andy McCollum, linebackers; Chris Lancaster, offensive tackles.

Head Coach Chuck Reedy

Chuck Reedy became Baylor University's 21st head football coach Nov. 24, 1992 and immediately pledged to do everything in his power to build upon the solid foundation he inherited and help make the Bears contenders for a national champion-

ship.

That Reedy was chosen to replace the legendary Grant Teaff, who now leads the entire department as athletic director, came as no surprise to those who know the energetic, positive-thinking, hard-working Reedy.

Reedy became Baylor's man after a national search that included a number of candidates with previous college head coaching responsibilities in highly visible programs.

In the short time he has been on the job, he has put together an outstanding staff of assistant coaches, successfully led the Bears through a highly-regarded recruiting campaign and an held an enthusiastic off-season program.

And just as importantly, Reedy has spent countless hours promoting Baylor football and speaking on behalf of the program which he views as having unlimited potential.

It only makes sense that the Reedy regime is off to such a positive start. Reedy learned the ropes of major college football at one of the country's winningest programs, Clemson, and proved he has what it takes to succeed at Baylor in three years as Bears' offensive coordinator.

As he put it when he was hired, "I feel like I've been preparing for this moment almost all my life." Reedy is a man who loves football, loves coaching and sees no limits to the heights Baylor's football program can achieve.

Since he became BU's offensive coordinator in 1990, Baylor's I-formation veer attack has been one of the SWC's best and the Bears have played in back-to-back bowl games for only the third time in school history.

Last year Baylor finished the season with 4,452 yards total offense, an average of 404.7 yards per game. That was the No. 5 total yardage figure ever at Baylor. The Bears averaged 5.8 yards a snap, a school record which broke the old mark of 5.6 set by the 1991 squad.

Baylor scored 324 points, the second-most ever. And the Bears were successful on 32 of 37 penetrations inside the 20, scoring 23 touchdowns and nine field goals.

In 1991 Baylor enjoyed similar success, gaining 4,552 total yards (the No. 3 total in school history) and 413.8 a game.

As Baylor's quarterback coach, Reedy has been instrumental in the development of All-SWC performer J.J. Joe, who has a record of 18-9-1 as a starter and should graduate this season with every BU record for total offense and passing.

During Reedy's 12-year stint at Clemson, the Tigers put together a record of 96-29-4 while winning a national championship and seven Atlantic Coast Conference Championships.

Reedy coached seven All-ACC players and 12 who went on to play professional football at Clemson. He recruited eight All-Conference honorees and six All-Americans. The last four years Reedy served as the Tigers' offensive coordinator, they went 38-8-2, won three ACC titles, played in four bowl games and held four Top 20 rankings.

A native of St. Augustine, Florida, Reedy played football, basketball and ran track at St. Augustine High School. He won All-Conference and All-District honors as a football player in 1967.

He attended Appalachian State University and lettered two years as an outside linebacker. After graduating with a B.S. in 1971, Reedy began his coaching career at Appling County High School in Baxley, Georgia, as an assistant coach.

Reedy then became the head coach at Baker County High School in MacClenny, Florida. In his four years at Baker, Reedy's teams went 29-13, winning two conference championships.

Twice Reedy was named Coach of the Year at Baker. After that successful run he joined the Clemson staff in 1978. Before Reedy went to Clemson, the program had enjoyed an average level of success at best. While Reedy was on the staff, the Tigers played in eight bowl games.

Throughout it all, Reedy has emphasized winning based on hard work. In conversations about how he will run the Baylor football program, he talks of "doing things the right way" and "being first-class in everything we do."

Reedy, born May 31, 1949, and his wife, the former Janet Dobson, have four children: Kris, Brooke, Blaine and Brienne. Janet is currently writing her dissertation for a doctorate degree in Baylor's School of Education.

Baylor Assistant Coaches

BOB COPE

■ Executive Assistant Head Football Coach Defensive Secondary

Bob Cope possesses a wealth of football knowledge gained in over 30 years of college coaching experience, including a stint as head coach at the University of the Pacific. He came to Baylor from USC where he spent two years as the Trojans' secondary coach.

He will tutor the Bears' defensive backs as well.

Cope spent two seasons (1989-90) as defensive coordinator and line coach at Kansas State. He was also K-State's assistant head coach in 1990, a season in which the Sporting News named him the Big Eight's "Best Defensive Assistant Coach." In his career, he has coached 23 defenses ranked among the NCAA top 10 in some category.

Before that, Cope was the head coach at Pacific six years (1983-88), where he compiled a 22-46 record.

Cope began his coaching career at Hammond High in Alexandria, Virginia, in 1961. He went from there to spend two years (1962-63) as defensive coordinator at Morristown (Tenn.) High.

He moved into the college ranks as an assistant at Vanderbilt for eight years (1964-71). He was also recruiting coordinator there in 1971. He moved to Pacific as defensive coordinator and assistant head coach the next four years (1972-75) before spending the 1976 season handling the defensive line at SMU.

Cope was then secondary coach at Arkansas four years (1977-80) under Lou Holtz. He was also Arkansas' defensive coordinator his final year there (1980). The Razorbacks went 37-10-1 while Cope was in Fayetteville and played in four bowl games.

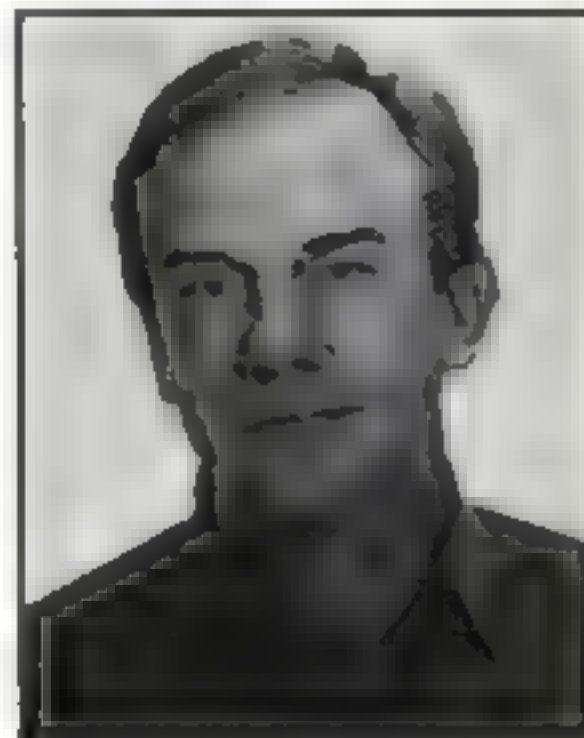

Cope then spent one year as defensive coordinator at Mississippi (1981, under Steve Sloan) and Purdue (1982, under Leon Burnett) before going to Pacific.

Cope played on three state championship teams at Central High in Chattanooga, Tenn., going 31-1-1 during that span. He then won small college All-American honors at center and linebacker for Carson-Newman College in Jefferson City, Tenn. He earned his bachelor's degree in physical education and English in 1961 from Carson-Newman. In 1965 he received a master's degree in physical education from George Peabody College.

He and his wife, Jimmie Ruth, have a daughter, Susan McNellis, wife of John McNellis.

JACK CROWE

■ Offensive Coordinator Quarterbacks

Chuck Reedy found what he calls "the perfect man to head our offense" when he hired Jack Crowe as offensive coordinator.

Crowe brings to Baylor a strong record of success gained while employing an offensive philosophy that perfectly mirrors that of head man Reedy. Through stops at Auburn, Clemson and Arkansas, Crowe has proven to have one of the best offensive minds in college football.

"Having had the opportunity to work with Jack three years at Clemson, I know he's as fine an offensive coach as I've been around," Reedy said. His record at Arkansas, Clemson and Auburn speaks for itself. He was part of several Southeastern Conference and Atlantic Coast Conference championships.

"We've tried to put together a staff that can take this program to the Cotton Bowl and help it move to the next level. We want to be at the position of competing for the national championship."

As Arkansas' head coach, Crowe took the Razorbacks to the 1991 Independence Bowl after they finished second in the Southwest Conference. He got the UA head job after a highly successful 1989 campaign as the Hogs offensive coordinator.

That year Arkansas won the Southwest Conference and played in the Cotton Bowl after amassing a school record 4,926 yards in total offense. Along the way, UA gained 647 yards against Houston in what is considered the finest offensive game in the school's history by Frank Broyles.

Crowe was given credit for bringing out the best in quarterback Quinn Grovey, the SWC Offensive Player of the Year in 1989.

Crowe was hired as Razorback offensive coordinator from Clemson, where he spent three years working with Reedy who was offensive coordinator at the time. Crowe tutored Tiger quarterbacks on teams that led the Atlantic Coast Conference in rushing each of his three seasons there. Clemson won three league titles and played twice in the Florida-Citrus Bowl and once in the Gator Bowl.

Crowe spent four seasons as offensive coordinator and quarterback coach at Auburn before moving to Clemson. Twice Auburn led the Southeastern Conference in total offense and three times they were the

Baylor Assistant Coaches

league leaders in rushing. Auburn played in the Florida-Citrus, Sugar, Liberty and Cotton Bowls with Crowe on the staff.

Bo Jackson became a Heisman Trophy winner under Crowe's tutelage. In all, Crowe has coached in 10 bowl games.

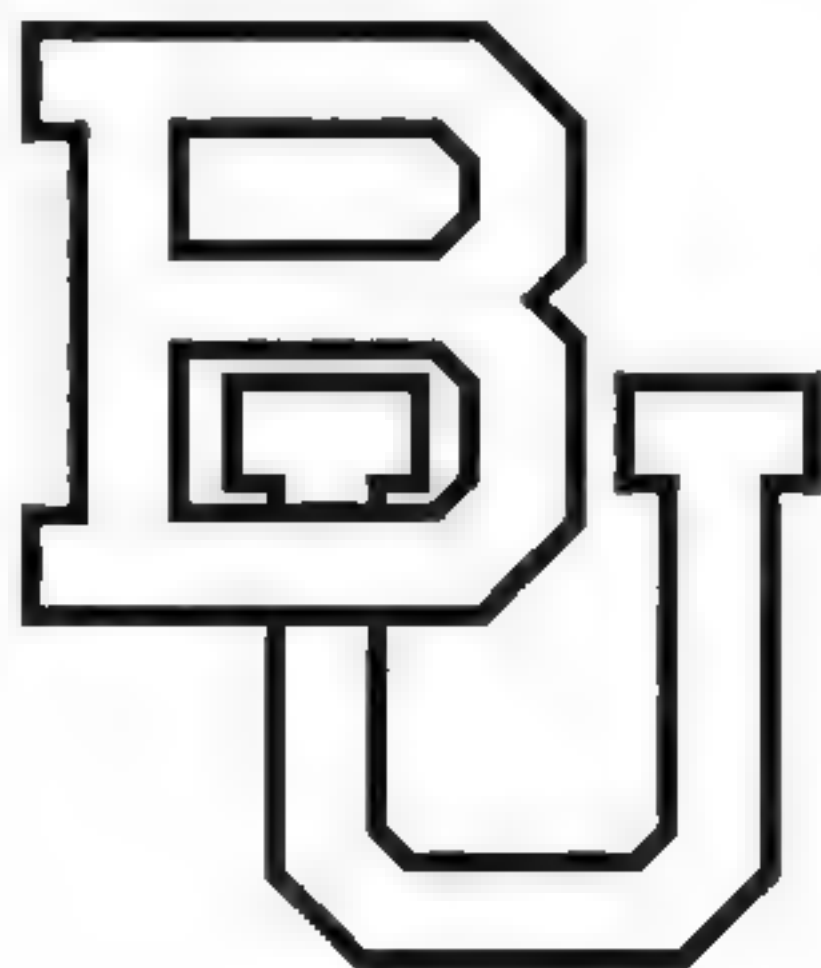

He started his major college coaching career at Wyoming before going to Auburn. He coached there a year for Pat Dye, then was offensive coordinator a year for Al Kincaid.

Crowe got into college coaching without ever having played at that level. He played several sports, including football, at West End High School in Birmingham, Alabama, but stuck with baseball at Jefferson State Junior College. He transferred to Alabama-Birmingham after his J.C. career and concentrated on a chemistry major with the goal of entering medical school.

Before he graduated he began volunteering time to help coach his old high school team. Soon he became a full-time assistant who called the offensive plays. He then went to Oxford (Al) High School to become offensive coordinator.

He entered the college ranks at Livingston as a graduate assistant in 1973. He was offensive coordinator for three seasons (1974-76) before being elevated to head coach at age 29. After two seasons as head coach at Livingston, Crowe joined Dye at Wyoming.

Crowe was born April 6, 1948. He and his wife Gale have two sons, Rusty, 19, and Scott, 15. In his spare time he likes to jog and play golf.

LARRY FEDORA

■ Wide Receivers

Larry Fedora landed his first full-time major college coaching job when Chuck Reedy tapped him to be his wide receivers coach this year, though he is no stranger to the Baylor program and Reedy.

Fedora had been on the Baylor staff since 1991 as a graduate assistant in charge of tight ends. He grew up in College Station and played

four sports at A&M Consolidated High School before graduating in 1981.

"Larry's done a great job as a coach and recruiter at Baylor the last two years," Reedy said. "We looked all over the country and couldn't find anybody who could do a better job. He's proven his abilities to us and that's why we decided to hire from within."

"He is a product of the Texas high school football system, having played and coached in Texas high schools. That's important to us. We want guys on our staff who have come up through the Texas high school football ranks."

The 31-year-old Fedora attended Austin College where he was a three-time All-TIAA wide receiver, two-time All-NAIA District 8 player and Honorable Mention All-American. He was also named first-team Academic All-American.

Fedora is no newcomer to postseason play either. His freshman season Austin College won the NAIA national championship and his senior year they won a conference crown. In his two years at Baylor, the Bears played in two bowl games, the 1991 Copper and 1992 John Hancock.

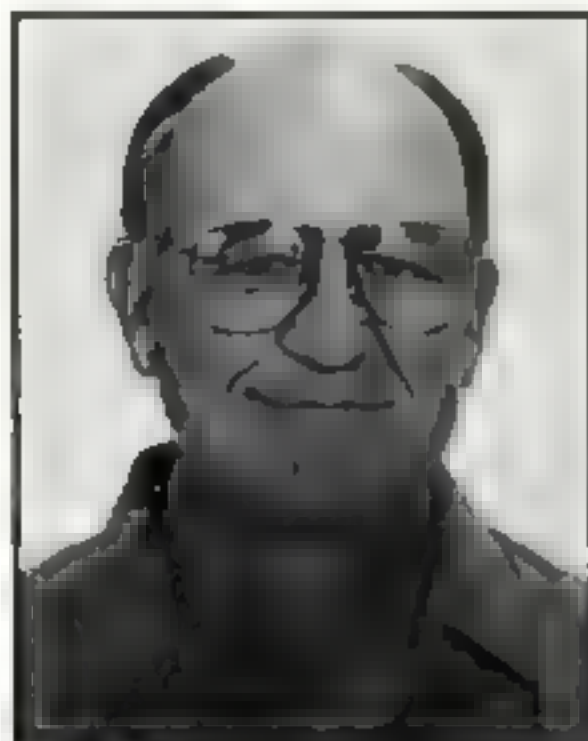

After graduating, he spent a year as a graduate assistant at his alma mater. He then spent the next five seasons coaching at Garland High School where he handled a number of positions. He joined the Baylor staff in 1991.

Fedora is married to the former Christi Wood of Dallas. The couple has a son, Dillon Brooks, born December 20, 1991.

Baylor Assistant Coaches

PETE FREDENBURG

■ Assistant Head Coach Defensive Coordinator

Baylor assistant head coach and defensive coordinator Pete Fredenburg has established himself as one of the Southwest Conference's premiere assistant coaches.

With Fredenburg as defensive coordinator from 1983-91, the Bears boasted defenses that were ranked among the nation's best against both the pass and run.

In 1990, the Bears led the league in total defense, allowing 298.6 yards per game. They were also first against the run with 124.3 yards per contest allowed.

The 1984 Bears were 10th in the nation against the run while 1985's pass defense finished third nationally. In 1986, Baylor ranked third nationally in total defense and sixth in rushing defense. In 1988 the Baylor defense led the nation in pass defense at 117.8 yards a game and his total defense was ranked fifth in the nation at 257.7 yards a game. In 1989 BU was sixth in the country in pass defense and ninth overall.

Fredenburg, 47, joined the Baylor staff in 1980 as a part-time defensive ends coach. He went full-time and took over defensive line duties in 1981. Just one season later he was named defensive coordinator.

Born September 15, 1946, at Lubbock, Fredenburg was raised in Clifton, where he earned all-district honors in four sports. After graduating from Clifton High School in 1965, he went to Southwest Texas State.

Fredenburg earned three letters at SWT and was a two-year starter at linebacker. The 1967 Bobcat team, coached by Bill Miller, was nationally ranked. Fredenburg graduated with honors in 1970 and earned a Master's at SWTS in 1977.

Fredenburg entered the coaching field at New Braunfels Canyon High in 1970. A year later he moved to New Braunfels High as defensive coordinator. While on the staff there, the Unicorns compiled a record of 40-23, finished second in the district twice and won district once, reaching the state quarterfinals.

Fredenburg became Giddings' head coach in 1977. In two years there his teams went 12-8 and finished second in the district twice.

Since becoming a Baylor staff member, Fredenburg has coached all-Southwest Conference performers Charles Benson, Max McGeary, Steve Grumbine, Derek Turner, Kevin Marsh and Santana Dotson. Benson and Dotson also earned all-America honors.

Fredenburg married the former Karen Buckner on July 12, 1969, in League City. The couple has three children: Kori, Denver and Cody. Fredenburg lists his hobbies as hunting and fishing. He is active in the Episcopal church.

ROBERT JAMES

■ Defensive Ends Coach

Robert James has distinguished himself by coaching a number of all-Southwest Conference defensive ends at Baylor and recruiting many of the Bears' top players.

James joined the Baylor staff in July, 1983, and that season end Ervin Randle won all-conference honors. The next year Derek Turner and

Randle were named to the elite squad and Turner added his name to the list again in 1985.

It was Kevin Marsh who made all-SWC in 1986, and in 1990 one of the league's honorees was Robin Jones, maybe James' best ever.

James came to Baylor after leading Gainesville to three consecutive state play-off appearances. Prior to that he held head coaching positions at Lamesa and San Antonio MacArthur.

Overall, James put together a record of 103-37-4 as a high school head coach. James lettered three years in football and two in track at Snyder High School. He graduated from Snyder in 1957 after earning all-district honors for coach John Conley, who went on to become the athletic director at Texas Tech.

He then went to McMurry where he earned three letters playing for Grant Teaff. Before graduating in 1961, James earned all-Texas honors as an offensive and defensive tackle.

The 55-year-old James started his coaching career at Abilene's Jefferson Junior High in 1961. Following that he was an assistant at Winters in 1962 and '63 and Temple in 1964.

He took his first head job at Lamesa in 1965 and remained there until 1974. In 1972 James guided the Golden Tornadoes to a district title. The following year his squad reached the Class AAA state semi-finals.

He spent the 1975-77 seasons at San Antonio MacArthur. The Brahmas were regional finalists in 1975. That same year, James served on the board of directors of the Texas High School Coaches Association.

Baylor Assistant Coaches

James entered the college ranks in 1978 at New Mexico. He spent two seasons coaching the offensive and defensive lines before taking over the reins at Gainesville in 1980. He made three playoff appearances there before Teaff offered him a position at Baylor prior to the 1983 season.

James, born April 3, 1938, earned a Master's in education from Trinity in 1976. He is married to the former Linda Kincaid and the couple has four children: Kent, Kyle, Kristy and Dena. His brother, Douglas, coaches at Amarillo Palo Duro.

CHRIS LANCASTER

■ Offensive Tackles

Bringing his own special brand of fire and enthusiasm to the Baylor staff is offensive tackles coach Chris Lancaster.

Lancaster returned to Baylor on a full-time basis January 1, 1993 after a one-year stint as a graduate assistant coach working with tight ends at Clemson.

He spent two previous years at Baylor (1990, 1991) as a graduate assistant working with running backs and tight ends.

He began his coaching career at Clemson in 1988 and '89, working with running backs.

Lancaster graduated from Clemson in 1989 with a B.S. in administrative management. He lettered four years for the Tigers at fullback and was known as a devastating blocker. Twice he was voted the hardest hitter on the team.

In his career, Lancaster has played in three bowls, the 1985 Independence, the 1986 Gator and the 1988 Citrus, and coached in three, the 1989 Citrus, the 1989 Gator and 1991 Copper.

Lancaster played high school ball at Riverside Military Academy in Georgia, where he won nine letters in football, track and wrestling. He was the football team's MVP two years and graduated in 1985.

Born May 8, 1967, Lancaster is married to the former Kathi Goodner. The couple has a daughter, Kaila Diane, born May 12, 1993.

Reedy said, "Chris is one of the most energetic, enthusiastic and intense people I've ever been around as a player or coach. He has a way of getting everybody around him enthused. He's an up-and-coming coach who will be a great asset to our staff."

ANDY McCOLLUM

■ Linebackers

Andy McCollum joined the Baylor staff this year from UTEP, where he spent the last three years as special teams coordinator and outside linebackers coach.

The 33-year-old McCollum comes to Baylor with a reputation as an outstanding recruiter and personable young coach.

McCollum began his coaching career at Middle Tennessee State in 1981 as a graduate assistant. He spent the 1982-88 seasons as a full-time coach at MTSU, handling the defensive secondary.

In 1985 Middle Tennessee was ranked No. 1 nationally in Division I-AA. In '88 McCollum's secondary led the nation in pass defense and set three NCAA records. At UTEP he coached receivers in 1990 before taking over the special teams and linebackers in 1991.

McCollum is a 1977 graduate of Marietta (Georgia) High School where he earned All-State honors as a quarterback. He was also voted North Georgia Athlete of the Year his senior season.

He played college ball at Austin Peay and was a member of an Ohio Valley Conference championship team his freshman season as an offensive guard. He later moved to tight end.

He earned a B.S. in Physical Education at Austin Peay in 1981 and an M.S. in the same discipline at Middle Tennessee State in 1982.

He has coached three all-Americans, 15 all-conference picks and nine players who have moved to the NFL.

McCollum is married to the former Gwen Wilkinson.

Baylor Assistant Coaches

KEN RUCKER

■ Running Backs

The enthusiastic Ken Rucker comes to Baylor this year from Arkansas where he has coached running backs since 1990. Prior to his stint with the Razorbacks he coached running backs at Air Force from 1984-89.

Before joining the Falcon staff he coached outside linebackers at Richmond from 1982-83. He entered the college coaching ranks at Appalachian State, where he tutored the defensive line from 1979-81.

Rucker began his coaching career at Harlan Cawood High School in Kentucky in 1976. He spent one year there before spending two more (1977-78) at David Crocket High in Tennessee. He was defensive coordinator on both high school coaching staffs.

Rucker lettered four years, making all-conference each year as a linebacker, at Carson Newman. His freshman year Carson Newman finished as runnersup for the NAIA national championship. He played high school fullback and linebacker at Morristown, Tenn.

Rucker coached in the 1984 Independence Bowl, the 1985 Bluebonnet Bowl, the 1987 Freedom Bowl, the 1989 Liberty Bowl and the 1991 Independence Bowl.

Born Nov. 7, 1951, Rucker graduated from Morristown High in 1970. He earned a Bachelor's degree in Physical Education from Carson Newman in 1976. He and his wife, Nancy, have a daughter, Kenny Lynette, 21.

"Ken is one of the bright young coaches in college football," Chuck Reedy said. "He has a great reputation as a teacher and motivator. He's been recruiting East Texas the last three years so we can send a man there who knows the territory."

RON WEST

■ Offensive Line

Ron West joins the Bear staff this season from Southwestern Louisiana where he has been defensive coordinator and inside linebackers coach since 1986 and assistant head coach one year.

In his first six years, West's defense was ranked nationally in at least one category each season, including three seasons in which his defense was among the nation's top 20 in total defense.

West entered the coaching profession in 1979 as a graduate assistant at Livingston, where he coached the defensive line as well as the junior varsity. He then went to East Carolina in 1980 as an assistant offensive line coach.

After spring training there he went to North Texas where he assisted an offense that ranked among the NCAA's best, averaging over 400 yards per game. In 1981 he was hired by Texas Tech, and for four seasons served as the Red Raiders' offensive line coach.

In 1985, West shifted over to defense, taking over as linebacker coach. That year, the Red Raider defense led the nation in pass defense and was fifth in punt returns.

West, born Feb. 12, 1957, began playing college football in 1975 at Marion Military Institute. After one season, he transferred to Clemson, where he lettered two times and played in two Gator Bowls.

West and his wife, Becky, have two children, Brad, 10, and Lori, six.

"Ron can coach on either side of the ball," Reedy said. "He's a sound teacher and coach who has also put together a great recruiting record. He's recruited Houston and the Gulf Coast areas for years."

Baylor Assistant Coaches

JOHN DULL

■ Defensive Tackle Graduate Assistant

Returning for his third year as a Baylor graduate assistant is John Dull, who will work with the Bears' defensive tackles. The past two seasons Dull has helped tutor offensive linemen.

Born August 16, 1968 in Houston, Dull attended Northbrook High School and graduated in 1986. In high school he played football, baseball and basketball.

Dull played college football at TCU under Jim Wacker. He lettered for the Horned Frogs at linebacker in 1986 and '87, his freshman and sophomore seasons. A knee injury ended his playing career early.

At TCU, Dull was a member of the GTE-Southwest Conference Academic Honor Team. He graduated from TCU in 1990 with a degree in Business Management.

Dull is the son of John and Linda Dull. His brother Chris is a member of the BU squad.

ARLINGTON NUNN

■ Defensive Secondary Graduate Assistant

Back for a second stint at Baylor is tight end graduate assistant Arlington Nunn. Nunn worked as a strength and conditioning G.A. at Baylor in 1991 and coached at Navarro J.C. last year.

Born August 26, 1969, Nunn graduated from Dunedin High School in Dunedin, Florida. He played football and baseball before graduating in 1987.

Nunn then played football at Clemson where he lettered four years (1987-90). He was a starting free safety for both Danny Ford and Ken Hatfield. During Nunn's junior year, the Tigers went 10-2 and played in the Gator Bowl. The next season they were again 10-2 and Hall of Fame Bowl participants.

Nunn was an Atlantic Coast Conference Academic All-Conference selection in 1989. He graduated in 1991 with a degree in marketing. Nunn is the son of Arlington and Ruth Nunn.

TROOPER TAYLOR

■ Administrative Graduate Assistant

One of the most popular players in recent Baylor history, Trooper Taylor is back as a graduate assistant working in the area of administration.

Taylor, who finished his Baylor career in 1992, holds the school record for career kickoff returns with 53 and career return yardage with 1,063. In addition to returning kicks, Taylor had a solid career as a defensive back for the Bears.

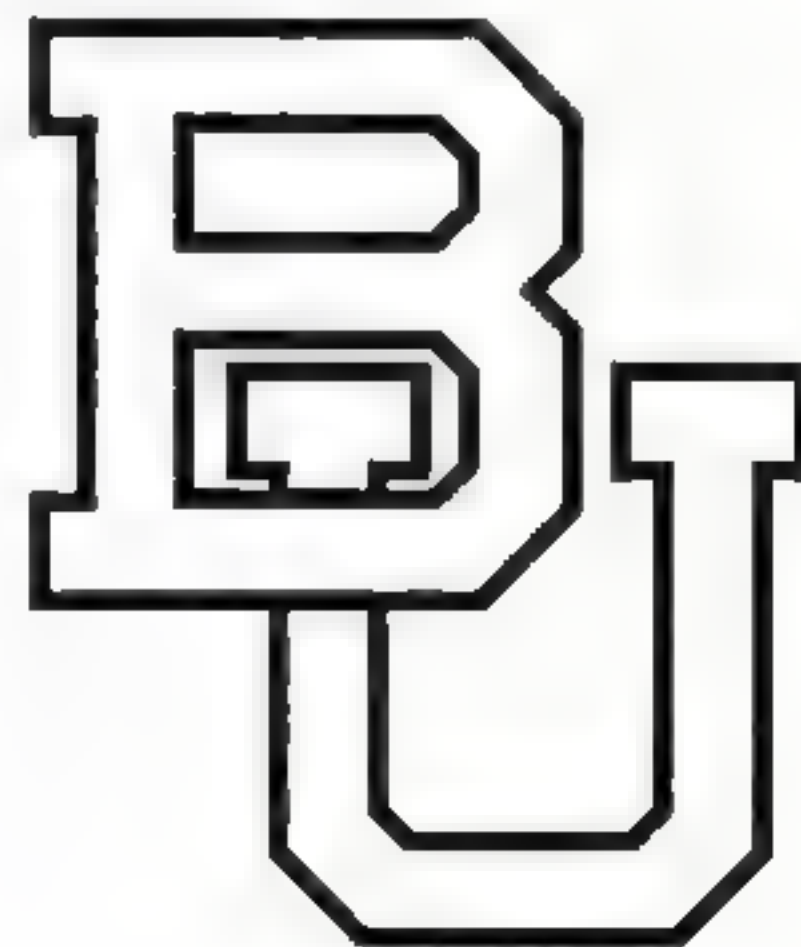

Taylor came to Baylor from Cuero where he was an all-state performer on offense and defense. His teams' four-year record was 55-6. Three years the Gobblers reached the state finals, winning in 1987.

Taylor came to Baylor the next year and lettered in '88, '89, '90 and '92. He missed the 1991 season with a knee injury but overcame long odds to return.

He perhaps will be best remembered for making a game-saving tackle against Texas in 1992, Grant Teaff's last regular season contest.

Taylor graduated from Baylor in 1992 with a degree in Education. He has 14 brothers and sisters and an incredible array of relatives who have played college sports, including Baylor fullback Robert Strait.

Last summer Taylor married the former Evi Crosby, a member of the Lady Bear track team.

Grant Teaff

■ Athletic Director

In times when people face great challenges they turn to great leaders. That is exactly what Baylor University did May 4, 1992 when it named Grant Teaff to succeed the retiring Bill Menefee as Athletic Director.

In a move that bucked tradition, Teaff became Baylor's A.D. immediately and went ahead to coach the football team throughout the

successful 1992 season.

Teaff was viewed by everyone involved as the perfect man to build upon Menefee's solid foundation and lead Baylor into the future of college athletics.

Teaff's move up to the director's position was called by many a matter of "fit." Teaff is the right man at the right time, just as he was 22 years ago when Baylor needed a new football coach.

When Teaff was hired to coach Baylor's down-trodden football program in 1972 some people said the challenges were too great, that there were too many obstacles to overcome. When the final gun sounded at the 1992 John Hancock Bowl Teaff ended one of the most illustrious coaching careers the Southwest Conference has ever seen.

He was 128-105-6 (at Baylor), 83-74-4 in SWC play and 4-4 in bowl games. He was 170-151-8 overall in 30 years as a head coach. He was named SWC Coach of the Year six times (1972, 1974, 1979, 1980, 1983, 1985) and National Coach of the Year once (1974). Teaff coached 16 first-team All-Americans and 83 first-team All-SWC performers.

Teaff finished his career as the nation's second-ranked coach for tenure at his present school (behind Joe Paterno), the fourth-ranked coach for SWC wins (83), third-ranked coach for games as an SWC head coach (239), second-ranked coach for seasons in the SWC (21), sixth-ranked coach for wins by an SWC coach (128), ninth-ranked active coach for career wins (170) and 20th-ranked active coach for winning percentage. He is also the 32nd-ranked coach for total career wins in college football history.

Teaff coached 12 post-season all-star games, including the East-West Shrine Game three times, the Blue-Gray Game three times, the Hula Bowl four times and the All-American Game and Japan Bowl once each. Teaff was in the SWC with 38 other head coaches.

Teaff coached against such schools as Alabama, Air Force, Arizona, Arizona State, Auburn, Brigham Young, Clemson, Colorado, Florida State, Georgia, LSU, Miami, Michigan, Nebraska, Ohio State, Oklahoma, Oklahoma State, Penn State, Pittsburgh and USC. He has coached against such legendary figures as Bear Bryant, Joe Paterno, Darrell Royal, Woody Hayes, Bo Schembechler, Vince Dooley, Shug Jordan, Tom Osborne, Frank Broyles, LaVell Edwards, Bill

McCartney, Lou Holtz, Barry Switzer, Bill Yeoman, Jimmy Johnson, Johnny Majors and Hayden Fry.

That Teaff achieved such success at Baylor is nothing short of incredible.

In 1972 he took over a Baylor program some experts said should drop out of the SWC. The Bears' 20th head coach inherited a team with a dismal 3-28 record the three years before he arrived. But worse than the on-field performance was a losing image.

Teaff immediately went to work instilling a winning attitude in Bear faithful throughout Texas and it spilled over onto the football field. Teaff's first squad went 5-6 and came very close to earning a bowl bid. Only 13 points kept them from post-season play.

The Snyder native won SWC Coach of the Year honors in 1972 and repeated it two years later when Baylor produced "The Miracle on the Brazos," Baylor's first conference title in 50 years and first ever appearance in the Cotton Bowl. Teaff won National Coach of the Year honors that year as well.

That season broke the ice and convinced the world Baylor could not only compete in the Southwest Conference, but with any team in college football.

In 1979 Teaff took a team picked near the bottom of the SWC and finished with an 8-4 record and a Peach Bowl victory over Clemson. Again, Teaff was named Coach of the Year.

The 1980 Bears were picked to finish sixth in the SWC, but instead finished sixth nationally with a 10-1 record. The Bears went 8-0 in the league and took the championship by a record three games. Also, the Bears broke 28 school records and led the conference in both offense and defense.

Teaff again was named Coach of the Year.

The 1983 season was another in which Teaff's Bears stunned the SWC. Picked eighth in the pre-season polls, suffering an incredible string of injuries and playing out of revamped offensive and defensive formations with a virtually new coaching staff, Teaff put together a seven-win season and won another Coach of the Year Award.

In 1985 the Bears were picked eighth in the SWC. But Teaff's crew won nine games and set a number of school records. Baylor's only three losses that year were to Top 20 teams on the road.

Only a gut-wrenching 17-10 loss to Texas in Austin kept the Bears from getting another conference championship ring and taking their third trip to the Cotton Bowl. Instead, Baylor soundly defeated LSU in the Liberty Bowl. After the season Teaff was given his sixth Coach of the Year Award.

In 1986 Baylor proved '85 was no fluke. They finished the season 9-3, and only a 31-30 loss to Texas A&M in College Station kept Baylor from winning the conference and going to another Cotton Bowl. Instead the Bears won the Bluebonnet Bowl 21-9 over Big Eight runner-up Colorado.

The 1987 Bears put together a third straight winning season, going 6-5 and coming within one play of heading to a bowl game.

In 1988 Baylor defeated Texas for the seventh time in eight tries in Waco to successfully complete their fourth winning season in as many years with a 6-5 record. The 1989 season was marred by injuries, but ended with Baylor producing the most lop-sided

victory (50-7) over Texas in SWC history.

In 1990, the Bears overcame incredible adversity to finish second in the SWC and just missed a chance at the Cotton Bowl. The 1991 season produced eight wins, including victories over Colorado, Houston, Arkansas and Texas, and a trip to the Copper Bowl.

Teaff's last season, 1992, may have been his best. With a team that featured no returning starters in either line, Teaff's Bears overcame an 0-2 start to go 7-3 the rest of the way, finish second in the SWC and win the John Hancock Bowl over Arizona.

Teaff was recognized as one of college football's great statesmen. He helped shape the game as a member of the NCAA Rules Committee and as chairman of the American Football Coaches Association ethics committee.

Teaff played two years of junior college football at San Angelo College and was an all-Texas Conference linebacker at McMurry College in Abilene. He was a multi-sport letterman at Snyder High School in West Texas. He captained teams at all three levels.

Teaff entered the coaching field at Lubbock High as an assistant coach. His alma mater, McMurry, then called him and he took the job as the nation's youngest head football coach. After a successful stay he went to Texas Tech as recruiting coordinator and assistant football coach. He next move was to Angelo State where, in three years, he posted a 19-11 mark, including a 7-3 record in 1971.

In 1972 he was called to Baylor to begin the challenge of his life. Bear football hasn't been the same since.

Nine of Teaff's former assistants went on to become head football coaches somewhere on the college level. Eddie Williamson took over the reigns at VMI and Joe Broeker became the head coach at Willamette. John O'Hara took the head job at Southwest Texas State, Bill Hicks became the head coach and athletic director at Howard Payne and Corky Nelson was appointed at North Texas.

Dal Shealy (Richmond), Bill Young (West Texas State, UT-El Paso), Ron Harms (Texas A&I), and Pat Culpepper (Northern Illinois) left earlier after training under Teaff.

Teaff is highly regarded for his speaking ability and is one of the nation's most sought-after speakers. He is recognized widely for his speeches on motivation to reach one's full potential. Teaff is one of the country's top football clinic speakers as well. He is active in the Fellowship of Christian Athletes, and has served on its board of directors.

In ceremonies at 1986 Homecoming, Teaff was awarded the Alumnus Honoris Causa for distinguished service to Baylor University. The award is given only to "a fraction of one percent" of those associated with the University.

In 1987, he was given the highest honor bestowed by the Texas High School Coaches Association, the Distinguished Service Award.

Teaff and his wife, Donell, a former Texas Tech cheerleader, have three daughters. Tammy, Tracy and Layne are all Baylor graduates. The Teaffs also have two perfect grandchildren.

Dr. Dick Ellis

■ Deputy Athletic Director

Dick Ellis enters his second year as Baylor's Deputy Athletic Director after a successful athletic career at the United States Air Force Academy, the University of Arkansas and Clemson University.

He joined Grant Teaff's athletic department staff as chief administrative officer in 1992 when Coach Teaff was

named to the dual positions of head football coach and athletic director.

A native Texan, Ellis is no stranger to winning programs. Prior to his arrival at Baylor, he was a coach and administrator with conference champion teams in three different parts of the country: Air Force ('85 WAC Champions); Arkansas ('89 SWC Champions); and Clemson ('91 ACC Champions).

Dr. Ellis came to Baylor after two years as Assistant Athletic Director for Football Operations at Clemson, where the Tigers finished 10-2 in 1990 (with a 30-0 victory over Illinois and now Texas coach John Mackovic in the Hall of Fame Bowl), and later in 1991 appeared in the Florida Citrus Bowl as ACC champs.

Prior to going to Clemson, he was at Arkansas where he served as recruiting coordinator and administrative assistant for the 1989 Razorback Cotton Bowl team that won the SWC while going 10-1.

After graduating from Sherman High School, where he was an all-district football player and captain of the track team, Ellis began a long association with the Air Force Academy. A 1968 graduate of the Academy, he lettered in football, track and pistol (being selected an All-American in pistol in 1968).

He later spent 18 years coaching football and golf, teaching physical education, and working as an athletic administrator with the Falcons.

He served on the football staffs of Ben Martin, Bill Parcells, Ken Hatfield ('83 National Coach of the Year), and Fisher DeBerry ('85 National Coach of the Year); and coached Air Force teams in the Hall of Fame Bowl ('82), Independence Bowl ('83 and '84), Bluebonnet Bowl ('85), and Freedom Bowl ('87).

The 1985 Falcons finished with a 12-1 record and were ranked fifth nationally. Ellis was also head football coach at the Air Force Academy Preparatory School in 1977 and completed a record of 9-1.

In his last two years at the Academy, he served as Associate Director of Athletics and was responsible for 24 sports.

With a M.S. degree from Texas A&M, Ellis was a graduate assistant football coach for the Aggies in 1972. He also holds a Ph.D. in education from the University of Denver. He retired from the Air Force with 21 years of service, which included a tour of duty as a combat pilot in Vietnam. He is married to Cecelia (Gulley) Ellis of Albertville, Alabama, and they have three children: Scott (22), Kent (18) and Chelsea (10).

Hart has coached 70 NCAA track and field All-Americans 225 times. His relay teams have set American, collegiate, Southwest Conference and junior world records at a variety of distances.

Included in his list of stellar pupils in that event are eight-time All-American Mark Collins, former SWC record holder Zeke Jefferson, ten-time All-American Johnny Thomas and NCAA champions Willie Caldwell, Raymond Pierre, Michael Johnson and Deon Minor.

With Hart as his personal coach, Johnson was also track and field's Athlete of the Year in 1990 after being ranked No. 1 in the world at 200 and 400-meters. He was again No. 1 world ranked for the 200 and 400 in 1991 after he won the World Championships 200-meters. At the 1992 Olympics, Johnson was a member of the U.S. gold medal winning 1,600-meter relay.

Hart's 1,600-meter relay teams have won six NCAA titles and reached the NCAA finals 19 of the last 21 years. They have also won the Texas Relays eight of the last 10.

In 1985 Hart was recognized by the Texas Sports Writers Association as the state's Senior College Spring Coach of the Year. The NCAA Track Coaches Association named Hart their 1989 National Indoor Coach of the Year and he is that group's past president.

Baylor in 1980 and earned a master's degree in 1982. In August, 1981 Sims joined the BU athletic staff as Baylor's first full-time assistant trainer.

Sims is a member of the Southwest Athletic Trainers Association and the National Athletic Trainers Association. He is licensed by the State of Texas and certified by the national association.

Sims has lectured at numerous training conventions and once won the Sam Ketcham Award for outstanding speaking ability at the SWATA meeting. He has held a number of offices in both SWATA and NATA, including his current stint as SWATA's president.

In addition to his training duties, Sims has also aided in the development of Baylor's computer system.

Mike is married to the former Suzanne Stevens, a Baylor graduate, on May 21, 1983. The couple resides in Waco. They have a daughter, Jessica, born August 20, 1990 and a son Keith, born May 13, 1992.

Becky Spurlock

■ Assistant Athletic Trainer

In her second year at Baylor is Becky Spurlock, assistant athletic trainer. She works with a variety of Baylor teams and is in charge of the training and weight rooms at the Ferrell Center.

Born November 9, 1958 in Woodville, Spurlock graduated from Kirby High School in 1979. She served as a student trainer at Baylor from 1979

through 1982. While at Baylor, she worked with the football, volleyball and softball programs.

She graduated from Baylor in 1982 and received her athletic trainer's license from the State of Texas that same year. She is an associate member of the National Athletic Trainers Association.

Spurlock came to Baylor from Waco's Connally High School, where she had been head trainer since 1982.

Wade Turner

■ Admin. of Facilities and Special Projects

After 18 years as an assistant football coach, Wade Turner is in his fourth year as administrator of facilities and special projects.

Turner works with all of Baylor's athletic teams in hosting home events, using university facilities and traveling to competitions.

The 58-year-old Turner coached BU defensive backs from 1972-78; from 1979 through 1989, he was in charge of the running backs. Seven of his former pupils received All-Southwest Conference honors, and at one time he had more NFL running backs than any other college coach.

Turner was born August 6, 1935 in Brady. He graduated from Brady High in 1953 after lettering in football, basketball and track.

The following fall he enrolled in San Angelo Junior College and played for Max Bumgardner before transferring to Stephen F. Austin.

A member of Who's Who in American Colleges and Universities, Turner earned his bachelor's degree from SFA in 1958 and received his master's one year later.

From 1959-64 Turner served as defensive backfield coach at San Angelo JC. When Angelo became a four-year school in 1964, Turner remained on the staff and continued to coach the secondary until 1971. He doubled as golf coach from 1969-71 and led the Rams to an eighth-place national finish in 1970. Turner followed Grant Teaff to Waco in 1972.

Wade married Madonna Rives of Henderson on July 25, 1959. The couple has two daughters, both Baylor graduates: Kimberly Denise Turner and Allison Paige Jones. They also have two grandchildren.

Academic Support

The advisement and degree planning of Baylor's athletes is handled by Becky Bradley, Director of Student Retention and Athletic-Academic Support Programs.

Bradley, a veteran classroom teacher, counselor, administrator and advisor, sees that each student-athlete is enrolled in a balanced program that keeps them on track for a degree.

A recent survey indicated that Baylor athletes have achieved one of the highest graduation rates in the Southwest Conference at 65 percent. The Baylor administration is working toward a goal of graduating 80 percent of its athletes.

Through the Academic Learning Center, student-athletes are monitored and given every necessary opportunity to get appropriate tutoring.

Also working in the program, which is designed to be very "hands on" in nature, is Walter Abercrombie, a Baylor graduate who holds the school record for rushing in a season and career.

Baylor Radio Network

The Baylor Radio Network is one of the Southwest Conference's best due to the efforts of a special team of professionals.

The network coordinator is John Fletcher of Fletcher Communications in Waco. A former radio station manager, Fletcher negotiates with each station to secure air time and make sure games get on the air.

Veteran radio salesman Dick Wooten is in charge of selling local affiliate air time. Frank Fallon, Baylor's coordinator of broadcast activities, handles play-by-play announcing while John Morris of KWTX-TV in Waco adds color commentary.

Waco native Craig Harper is chief engineer and producer. He is currently with WFAA in Dallas.

1992 in Review

1992 consensus all-Southwest Conference defensive end Albert Fontenot

1992 In Review

After taking a ride across the field on his players' shoulders following Baylor's 21-20 victory over Texas, coach Grant Teaff did an abrupt about-face and trotted back across Floyd Casey Stadium's floor.

He searched through a pressing crowd to find the most important people in his life, his family.

Teaff wanted his wife, Donell, daughters Tammy, Tracy and Layne, and assorted other family members, to escort him off the field for the final time.

And so the Teaff clan locked arms and left the stadium together, climaxing of a day filled with memories of the 21 Teaff years at Baylor.

What a day it was. It started cold, wet and rainy, just like the afternoon in 1974 when Baylor beat Texas for the first time in 16 years. Darrell Royal's Longhorns had won six Southwest Conference titles and had the Bears down 24-7 at the half.

But Baylor came back to win 34-24 and before the year was over had claimed its first conference championship in 50 years.

They called it the "Miracle on the Brazos."

In 1992 beating Texas took nothing miraculous. Teaff did it for the 10th time in his career as two good teams fought it out for a shot at the John Hancock Bowl.

For Baylor to be at that point in late November showed just what a great coach Teaff is. Nobody had given the Bears much of a shot at post-season play, especially after a very young team started the year 0-2.

Baylor entered the '92 campaign with a tough rebuilding job to do: no starters returned on either line. The skill people were considered first rate, but everybody knew the guys up front had to come a long way.

A solid Louisiana Tech team took advantage of Baylor's lack of experience in the season opener to take a 10-9 win. Baylor managed only three field goals all day and the Bulldogs' winning margin came with no time left on the clock.

It was a tough loss considering the Bears appeared to have things in hand when Trey Weir booted his third field goal with just 1:34 left to play, putting BU ahead 9-7. But LT marched 52 yards in nine plays to set up the winning kick.

Things turned from bad to worse one week later when nationally ranked Colorado came to Waco to avenge a Baylor defeat in Boulder the year before.

In the first half, the Buffaloes held a 33-10 lead and had basically controlled every phase of the game. Teaff later said, "I was wondering if we'd have to lock the doors to keep our players from going home at halftime. We were taking a whipping at that point."

But from that point forward, through the second half of the CU game forward, the young Bears began to mature, to "get better every day," as coaches like to say.

In the final two periods against Colorado, Baylor scored 28 points and began to find the right chemistry

as a team. Robert Strait had a five-yard TD run and Melvin Bonner caught a 33-yard scoring pass. Both scores were indications of things to come all year.

The final score of 57-38 did not really indicate how well the Bears had played late in the game.

Having found a measure of confidence, Baylor took on a Utah State team one week later and came away with a 45-10 victory. Showing just how potent they could be, Baylor gained 448 yards total offense and averaged 8.0 yards per snap.

Bonner asserted himself with four catches for 124 yards and a school record tying three TD catches. A bevy of running backs carried the ball effectively.

Baylor opened SWC play at Lubbock against the team picked a consensus second in the league, Texas Tech. The Red Raiders exposed Baylor's weakness at handling a very mobile quarterback as Robert Hall managed to avoid the BU rush and complete 17 of 27 passes for 231 yards and two TDs.

The setback of 36-17 at Texas Tech proved to set the stage for a great run the final seven games of the year. It could almost be said this was when the real 1992 Baylor Bears emerged.

First came a 49-7 win over the resurgent SMU Mustangs. The Bears piled up 489 yards total offense, 397 of it rushing, and averaged 6.1 yards per play.

Six running backs gained 50 yards or more and four scored touchdowns on the ground.

Then came a 41-20 victory over TCU in Fort Worth as the Bears pulled up to .500 for the first time in '92. In one of the more impressive offensive showings in years, the Bears gained 520 yards, 314 through the air.

Bonner again tied the school record for TD catches with three as he totalled 163 yards on 10 receptions. Nine Bears carried the ball.

The Bears were now on a roll. The offense had shown the ability to grind it out on the ground, sustain drives with efficient passing or hit for the big bomb to score. The defense was doing its part in helping keep it close.

A hard-fought 29-23 win over potent Houston put the Bears at 4-3 and set the stage for a conference showdown with Texas A&M in College Station.

A&M stood as the defending conference champ and Baylor loomed as one of its final obstacles on the way to the Cotton Bowl. The Bears were playing well and A&M had been unsettled at quarterback.

The eventual SWC champion Aggies came away with a 19-13 win over the Bears, due largely to BU miscues. Twice on the goal line Baylor bobbled center snaps, an unusual turn of events since Baylor was extremely effective inside the opponents' 20 this year.

Though the Bears were a good team, questions remained as to whether they were mature enough to come back from a tough, tough loss. Teaff and his staff bore down to make sure the squad remained focused.

1992 In Review

Baylor bounced back from the A&M loss in fine form to take a thrilling 31-27 Homecoming win over powerful Georgia Tech in Waco. In one of the most exciting plays of the year, the winning points came on a double reverse flea-flicker pass.

Because of the Bowl Coalition everyone knew an outstanding post-season trip loomed for the team that could emerge as the SWC's No. 2 school. Along with these thoughts, rumors began to circulate about Grant Teaff's replacement as head coach.

With bowl hopes on the line, Baylor dropped a heart-breaker to Rice on a last second field goal, 34-31. The Bears fell behind 14-0 early, but fought back brilliantly as they tied the score at 31 early in the fourth quarter.

Bowl hopes were now in doubt and the fervor surrounding Grant Teaff's last game at Baylor and his possible successor began to peak. Concentration became the key for Baylor.

With a game to go the stage was set. Baylor had to beat Texas, Texas A&M had to beat Texas and Houston had to beat Rice for Baylor to get the bid. It all came down to the fact that Baylor would receive the bid in the case of a three-way tie because Texas and Rice had only five wins against Division IA foes, while all of the Bears' six wins were over IA opponents.

Baylor had to have help, but they had to help themselves against Texas -- all in the midst of incredible distractions.

The Bears did their part in taking Texas 21-20. It was a defensive struggle which opened in a pouring rain and gusty winds.

Five days later, A&M finished a perfect regular season by defeating Texas on Thanksgiving Day. Another two days later Houston did the same to Rice, thus putting the wheels in motion for the SWC's second-most successful team since 1985 to take another bowl trip.

That Baylor persevered against Texas was remarkable. Heading into the Texas game, Baylor knew it needed help for a shot at any bowl. Texas was still playing for the Cotton Bowl and was hungry to avenge Baylor's win in Austin a year earlier.

And there remained the fact the Texas game would be Grant Teaff's last as Baylor head coach. To have a team remain focused through so many distractions speaks volumes about the players and coaches.

Baylor headed into the John Hancock Bowl as an underdog. The Bears faced one of the nation's best defenses yet won 20-15 when its defense came up with one big play after another while the offense did its usual job of hitting on big plays.

It was a situation that perfectly mirrored Teaff's Baylor career. A young, overachieving team faced long odds and won. But Teaff and these Bears had been there before. It's no wonder many people said this may be Grant Teaff's best coaching job ever.

Game No. 1 Louisiana Tech 10, Baylor 9 September 5, 1992 at Waco (33,434)

In the third quarter, back-up quarterback Aaron Ferguson replace an injured Sam Hughes and led Tech on an 80-yard touchdown drive completing, three of seven. Ferguson would later complete a 22-yard pass to give Tech the ball on the Baylor 13-yard line for the winning field goal.

In the fourth quarter the Bears drove 68-yards and took the lead on Weir's third field goal, this one equaled 30-yards.

Baylor was not able to cash in on three first half scoring opportunities as twice inside the two-yard line the Bears fumbled and as the half ended they did not get a field goal attempt off. The mistakes helped A&M defeat the Bears before an Aggie loyal crowd of 66,542.

On offense in the first half the Bears had 236 yards total offense, but only led by three. Baylor basically controlled the game both on offense and defense with the exception of two plays, both long runs. The first play was a 84-yard touchdown run by A&M's Rodney Thomas.

In the second half after a Trey Weir field goal, the Aggies added the winning points on a Greg Hill 40-yard touchdown run. A&M scored another field goal and Baylor gave away a safety by running out of the back of the endzone.

In the second half the Bears added another touchdown and were able to survive a late 10-point surge by the Horns. Strait contributed 88 yards on the ground, his biggest performance of the year.

On the defensive side of the ball, Le'Shai Maston notched 10 tackles and Baylor made eight tackles behind the line with Scotty Lewis, Albert Fontenot and Charles Horton. Baylor ended the regular season on a winning note with its fifth consecutive home victory.

IMMORTAL TEN

On January 22, 1927, at Round Rock, Texas, one of America's first athletic tragedies occurred. Coach Ralph Wolf was taking his first Baylor basketball team to the University of Texas when a speeding train from the I & GA Railroad Company rammed the side of the bus blinded by stormy weather at a crossing near the center of Round Rock. Ten of the 21 persons in the Baylor party were killed.

Ralph Wolf

Each year before Baylor Homecoming, the freshman class hears the epic of the "Immortal Ten" and the hero, James Clyde "Abe" Kelly. Captain-elect of the 1927 football team, Kelly saw the train seconds before impact and pushed his roommate, Weir Washan, out of the bus window. Kelly died saving the life of his best friend.

Others who died with Kelly were William Winchester, W. E. Murray, Merle Dudley, Sam Dillow, Jack Castellau, L. R. "Ivey" Foster, Bob Hailey, R. L. Hannah and James Walker.

Wesley Bradshaw, who remains in third place in Baylor football career scoring records, was seriously hurt. Gordon Barry, Joe Potter, Edgar Gooch, C. S. Bean, Keifer Stricklan (All-SWC), John Kane, Dave Cheavens (former Baylor journalism department chairman) and Coach Wolf were slightly injured. Washan and Louis Slade were unhurt.

As a result of this tragedy, the first highway overpass in Texas was constructed at Round Rock.

BEAR NICKNAME

Although Baylor was founded in 1845 and began intercollegiate athletics in the 1890s, in 1914 Baylor athletic teams were still without an official nickname. In December of 1914, President Samuel Palmer Brooks held a vote of the student body and "Bears" narrowly defeated "Buffaloes." Other nicknames nominated were "Antelopes," "Frogs" and "Ferrets."

BOBBY JONES AWARD

Prior to each Homecoming game, the Bobby Jones Award is presented to the senior player who provided the best leadership on and off the field during the week of preparation for the Homecoming game.

Bobby Jones, the Baylor quarterback from 1954-56 who helped defeat Tennessee 13-7 in the 1957 Sugar Bowl, was killed in an automobile-train wreck while a member of the Tennessee coaching staff.

Bobby Jones

The coaching staff votes on the recipient of this award which was established after Jones' death by his widow, Mrs. Rosemary Jones.

BEAR MASCOT STORY

Although "Bears" became Baylor's official nickname in 1914, it wasn't until the 1920s that a real bear mascot came to the University. The troops of the 107th Engineers, a unit of the 32nd Infantry Division stationed in Waco, gave the first live bear mascot to Baylor.

Ted, the division's bear mascot, first appeared at a Baylor-Texas A&M football game. When the unit received orders to move on, the bear was left behind in the hands of the Baylor Athletic Department.

Probably the best-known mascot has been Joe College who came to Baylor after former student Bill Boyd bought the bear from a zoo operating at the Cotton Palace in Waco. Baylor President Pat Neff allowed Boyd to take care of the bear in exchange for free tuition.

The current bear mascots appearing at games come from Bear Country USA, a drive-through wildlife park in South Dakota. They are rotated about every two years due to handling difficulties after the age of two and one-half.

In addition to the cubs which go to games, a larger, older bear is kept at the Hudson Bear Plaza on campus. The honor of training and caring for the bears goes to the Baylor Chamber of Commerce, a men's campus service organization.

Most bears are North American black bears, a species that adapts well to humans.

"SIC'EM BEARS" AND THE "BEAR CLAW"

In 1960, Baylor's yell leaders introduced the "Bear Claw" hand signal and "Sic'Em Bears" yell. The initial student body and faculty reaction to the yell and coinciding hand signal, made by slightly curving all five fingers inward to form a bear claw, was mixed.

The issue was a hot topic of debate, and their use was sporadic throughout the '60s until Grant Teaff arrived in 1972. Teaff initiated a new era of Baylor football, and the "Bear Claw" and "Sic'Em Bears" yell came to symbolize pride in Baylor football.

In addition to being used during the yell, the "Bear Claw" is held up during the playing of Baylor's school song, "That Good Old Baylor Line." Football players traditionally hold up their helmets during the playing of the school song.

EX TEX PEP RALLY

Looking for an emotional edge prior to the Texas game, former head coach John Bridgers started the Hex Tex Pep Rally in 1960.

The highlight of the pep rally, which was first held in Minglewood Bowl but has since been moved to Floyd Casey Stadium, is the lighting of candles that are formed in the stands in the shape of an upside-down Longhorn. Former head coach Grant Teaff changed the name of the rally in 1986 because he felt the Bears no longer need to invoke the powers of a hex to beat the Longhorns.

HOMECOMING PARADE

One of the highlights of the Baylor Homecoming celebration each year is the Homecoming Parade, believed to be the largest and oldest in the nation. The first parade was held in 1909 and featured horsedrawn carts decorated with strips of paper. Gradually the floats became the main feature of the parade, and by the mid-'30s most organizations had a Homecoming Queen nominee riding atop their floats.

Built by school clubs, approximately 23 floats are judged in categories according to the amount of money spent to build and decorate them, Class A, B or C. Since 1939, the Baylor Chamber of Commerce has planned, organized and supervised all operations relating to the parade, floats and queen selection.

About 35,000 people annually line the streets to view the parade, with another 115,000 watching on local television. Approximately 115-120 parade entries including floats, cars carrying distinguished guests and marching bands participate in the parade which travels about two miles through Waco to the Baylor campus.

BAYLOR LINE

The Baylor Line is a spirit organization comprised of freshmen men. Wearing matching green and gold jerseys and sitting in a block on the 40-yard line enables them to cheer for the Baylor Bears from the stands.

The Line members encircle the football field prior to each game's start demonstrating their support for the Bears. In addition, the group, organized by the Baylor Chamber of Commerce, carries the alumni and national flags in the Homecoming Parade.

Baylor Traditions

GOLDEN WAVE BAND

In 1902, 17 students pooled their talents to become the Baylor Cadet Band. The next year membership increased to 28, directed by Charles W. Parker, under the auspices of the military department. This band was a part of Baylor's ROTC unit until the end of World War I when the military division was dissolved and the organization became known as the Baylor Bear Band.

In 1929, Everett McCracken was appointed director, and he initiated a new era of development for the Bear Band. A successful 10-day tour through several Texas towns was made in uniforms colored in gold. Critics spoke of the band as making "a golden wave through Texas." From that time, the band has been known as the Baylor University Golden Wave Marching Band.

In the 1950s and the 1960s, the band gained national prominence and was featured in the Orange, the Sugar, the Gator and the Bluebonnet Bowls under still active alumni, Dr. Donald I. Moore.

This year the Golden Wave, under the direction of Mike Haithcock for the tenth year, is marching 250 members.

"THAT GOOD OLD BAYLOR LINE"

The alma mater of Baylor has been the rallying call to the old school's thousands of students, ex-students and friends since shortly after the turn of the 20th century.

Its present form, however, is altogether different from the original one. In fact, its title is the only thing that has remained intact over eight decades of usage.

The now famous title was conceived in 1907 when a group of Baylor men, led by William B. Todd, borrowed a tune from a Broadway musical hit of 1902, a sprightly waltz number called "In the Good Old Summertime."

The text of that first pep-generating ditty embodies a dire threat to all gridiron foes, notably those of a sister institution of that time also located in Waco—the forerunner of Texas Christian University, then called Add-Ran college. Rivalry between the two student bodies was intense, hence, the Baylor men's threat to send their opponents home "done up in turpentine" after an encounter with formidable Baylor "line."

The words used in that first version have long been abandoned. New words were written in 1931 by Enid Eastland Markham, a 1923 Baylor graduate.

BAYLOR YELL LEADERS

Baylor athletic events had no organized spirit personnel until the first set of all-male yell leaders was elected in 1920. A student vote to allow female yell leaders came up in 1962 but narrowly failed. Another voted failed in 1963. Finally, in 1967 students voted to allow coeds to join the team, and they first appeared during the 1968 football season.

CONGRESSIONAL MEDALS OF HONOR

Baylor University is believed to be the only school in America to have two former athletes go on to win the Congressional Medal of Honor. Both men, Jack Lummus and John (Killer) Kane, won the nation's highest military honor for heroics in World War II.

Lummus played football, basketball and baseball for the Bears from 1938 through 1941. He was an All-Southwest Conference center fielder before signing with the New York Giants of the National Football League.

After one year of pro football, Lummus joined the Marines and was a platoon leader in the initial days of fighting at Iwo Jima. While leading a charge on enemy positions, Lummus stepped on a land mine and lost both legs. Despite the heavy bleeding that resulted he led his platoon to knock out several pockets of Japanese fire, a vital part of the U.S. victory.

Lummus died of his wounds shortly after the battle.

President Harry S. Truman cited Lummus by saying, "by his outstanding valor, skilled tactics and tenacious perseverance in the face of overwhelming odds, First Lieutenant Lummus had inspired his stouthearted Marines to continue the relentless drive northward, thereby contributing materially to the success of his company's mission."

Jack Lummus

Kane played football and basketball at Baylor and was a member of the ill-fated 1927 basketball team that lost ten of its members in a bus-train wreck. Kane was one of 12 survivors.

Kane joined the Army Air Corps in 1932 and soon became a bomber commander of legendary proportions. It was said he was the best pilot and toughest commander in the Air corps. It was often debated who feared him more—the Germans or his own men.

On August 1, 1943, Kane led what at the time was the deadliest air battle in history—a low-level, long-range raid on Hitler's oil-refining complex in Ploesti, Rumania. The site produced a major part of the Axis' fuel and was one of the most heavily guarded locations in history.

The Air corps' mission was to fly B-24 Liberator bombers 1,350 miles at treetop level under the range of enemy radar. It was a suicide mission despite some of the most heroic flying ever done. It is remembered as the worst catastrophe in the history of the Army Air Corps.

Of the 166 planes that departed on the mission, 73 failed to return. Kane flew for over 14 hours before returning on two of four engines.

Five Medals of Honor were awarded to pilots, the most ever from a single military operation. Only Kane and one other were alive to receive theirs.

Barton "Botchey" Koch First Consensus All-American in Southwest Conference History

The Southwest Conference is now regarded as one of the premier football leagues in the nation, but back in 1930 the idea of a player of all-America status coming from the SWC seemed preposterous—until Botchey Koch came along.

Koch played guard at a stocky 5-10 and 200 pounds and left an indelible impression on everybody who saw him play.

Since no game films exist from his day, testimony of those who witnessed him personally attest to his greatness.

"He was the greatest athlete I ever coached," said former Baylor coach and athletic director Bill Henderson, a veteran of over 40 years in college athletics.

The legendary D. X. Bible put Koch on the West squad of the East-West Shrine Game. After seeing Koch play against the best in the country, Bible said, "He's the best guard I ever saw."

The *San Francisco Chronicle's* report of the game said, "There were a lot of great linemen in the game, but Koch was easily the best. A steam roller could not get over him." Koch was voted the game's MVP.

Former SWC football referee Pete Cawthon called him "an All-American all the way, both ways. Don't ever expect to see another one as good."

Amos Alonzo Stagg called Koch "one of the great ones." "Football brilliance," said Knute Rockne, "He's far and away the best guard I ever saw play."

Paul Crume, longtime *Dallas Morning News* columnist, wrote upon Koch's death in 1964, "after reviewing my memories of Botchey Koch, I doubt that there ever was a better college lineman."

Koch is a member of the Baylor Hall of Fame, the Texas Sports Hall of Fame, the Baylor All-Decade team of the 20s, the College Football Foundation Hall of Fame, the Southwest Conference 50-year All-Star Team and the All-Time All-American team picked by Grantland Rice, perhaps the greatest sportswriter who ever lived and Harry Stuhldreher, one of Notre Dame's famed four horsemen and former head coach at Wisconsin.

Former *Waco Tribune-Herald* sports editor Jinx Tucker wrote, "He (Koch) has been accorded more national honor than any player a college or university in the state of Texas has produced and he is deserving of that honor for he is the greatest guard the Lone Star has ever seen and perhaps the greatest the nation has ever known."

"THE WORM STORY"

In 1978, the Baylor football team was suffering through a disappointing 2-8 campaign, having lost the first five games by a combined total of 21 points. The season was about to end against nationally ranked Texas and Grant Teaff knew his team had to have a mental edge.

Thus was born the famous "Worm Story." Just before the team returned to the field for the opening kickoff, Teaff told the Bears a story about two Eskimo fishermen who were out icefishing. The old veteran fisherman caught fish right and left, but the younger newcomer caught none, even though they used the same equipment and techniques.

After several hours of shivering out on the ice with no fish to show for it, the young angler asked the wiser pro what his secret was. The old man then opened his mouth revealing a wad of live worms and said, "You have to keep your worms warm!"

With that Teaff produced a live night-crawler he had purchased at a bait store just before the game. As players' eyes widened he held it up and said, "Today men, I'm going to keep the worms warm!" He then dropped the creepy crawler in his mouth, chewed a few times and swallowed.

The team went wild, almost tearing the lockerroom door off its hinges trying to get back onto the field.

Mickey Elam, a converted running back playing quarterback, shocked the heavily favored Longhorns and the Bears won 38-14. That score was the largest margin of victory by Baylor over Texas until 1989's 50-7 win. Teaff stressed later that using the worm was simply a psychological device to allow his players to relax and play up to their potential.

NATIONAL FOOTBALL FOUNDATION HALL OF FAME MEMBERS

BARTON "BOTCHEY" KOCH—Botchey Koch was considered by every football expert to the greatest lineman of his era. In his senior season of 1930 he made a huge breakthrough for the Southwest Conference by becoming the league's first consensus All-American. He was elected to the Hall of Fame in 1974.

BILL GLASS—Bill Glass was everybody's All-American guard on one of Baylor's greatest teams. His senior season, 1956, he led the Bears to a 9-2 record and Sugar Bowl victory over the previously undefeated Tennessee Volunteers. He and Texas A&M's Jack Pardee, now head coach of the Houston Oilers, were voted *Houston Post* SWC Most Valuable Players that year. He was inducted into the Hall of Fame in 1985.

JIM RAY SMITH—Jim Ray Smith won All-American honors from his tackle spot for the Bears in 1953 and '54. His senior year the Bears went 7-4 and played Auburn in the Gator Bowl. Smith has remained active in college football, having served as president of the Cotton Bowl Athletic Association. He was inducted into the Hall of Fame in 1987.

MORLEY JENNINGS—Morley Jennings spent 15 seasons as the Bears' head coach, compiling a record of 82-60-6 from 1926-40. Nine of Jennings' BU teams had winning seasons, including the 1935 squad which went 8-3. From 1937-39 his Bears went 21-5-1. Among the great players he coached were Botchey Koch, Sam Boyd, Billy Patterson and Jack Russell. He was inducted into the Hall of Fame in 1973.

SWC ATHLETE OF THE YEAR

Floyd Casey Stadium History

As evidenced by the beautiful Carl and Thelma Casey Athletic Center in the north endzone of Baylor's Floyd Casey Stadium, the Bears now have a football facility equal to any in the country.

Stadium renovation, which included a new All-Pro Turf playing surface, new lights, expanded and improved restrooms, new concession stands and a new pressbox elevator were completed for the 1990 season.

The Casey Athletic Center now houses departmental offices, locker rooms, training rooms, weight facilities, a video studio, meeting rooms and Bear Foundation facilities.

The state-of-the-art facility was opened in 1991. The make-over was completed as the stadium enters its 43rd year of service to Baylor. After 39 years of being called Baylor Stadium, 1989 was the stadium's first full year under the name of Floyd Casey Stadium.

The name change officially took place during halftime ceremonies of the 1988 Homecoming game with Arkansas when it was announced that longtime University supporter and trustee the late Carl B. Casey of Dallas and his wife, Thelma, contributed \$5 million to the stadium renovation project in honor of his father Floyd Casey.

The generous Casey donation was part of an \$8 million campaign.

After World War II the Baylor Stadium Corporation was formed and began a campaign to build a stadium for the University. The corporation launched a bond sales program and was able to raise \$1.5 million for construction costs. The Bears moved to Baylor Stadium in 1950.

The first game played in the 48,500-seat stadium was September 30, 1950, a 34-7 Baylor victory over the Houston Cougars, then an independent team. The initial Southwest Conference game was November 4, 1950, a 27-20 win over Texas A&M. the largest crowd to see the Bears play at home was the 1974 A&M game when 51,200 fans jammed the stadium to watch the Aggies shut out the SWC champion Bears, 20-0.

Many improvements and additions have been made to the stadium over the years. Until 1972 the Bears played on natural grass, but with the hiring of head coach Grant Teaff the first AstroTurf surface was installed in 1972. A second AstroTurf surface was added in the summer of 1980.

During the 1970s, the beautiful and comfortable Lettermen's Lounge was built on the stadium's west side. Also, an expanded Bear Club Room was added. Both projects were funded by the respective groups' members.

An eight-year project to change from worn wooden to modern aluminum bleachers was finished in 1981.

Prior to the building of Baylor Stadium in 1950, several playing sites were employed by the Bears. The first Bear football squad was formed in 1899, but no records are available to prove where the team played. Old newspaper clippings and yearbook articles only indicate the first three seasons were played on an extremely rough field close to the school.

From 1902 to 1925, with the exception of 1906 when football was banned on campus because it was deemed too violent, the Bears played most of their games at Carroll Field, an on-campus facility. An unknown number of games were played at the old Cotton Palace during this period.

The Bears played at the Cotton Palace from 1926-29 before returning back to Carroll Field from 1930-35. The team moved off the main campus for good in 1936 when it began calling the newly built Waco Stadium home. Waco Stadium was renamed Municipal Stadium in 1942, and it was there BU played through 1949 except for a break from 1943-44 because of the war effort.

Through 88 years Baylor has compiled a record of 286-163-28 at its various home playing fields.

Although edged in the final statistics, coach Bob Woodruff's Baylor Bears won the first bowl appearance in the school's history by defeating Wake Forest 20-7 in the second annual Dixie Bowl.

Wake Forest, although gaining 277 total yards compared to Baylor's 212, fell behind 20-0 at halftime to the upstart Bears and could never seriously threaten the 6-3-2 victors.

Bear defender George Sims recorded the game's first turnover when he intercepted a Deacon pass in their first possession and returned it 52 yards to the Wake Forest eight-yard line.

Sammie Pierce, who averaged 13.1 yards a carry against the 6-3 Deacons, scored the first touchdown from a yard out and Jerry Mangrum scored from the same distance in the second quarter to give Baylor a 13-0 lead.

The Bears increased the margin to 20-0 off a 68-yard drive, highlighted by a Pierce 40-yard romp. Quarterback Ray Painter, who had attempted only seven passes during the regular season, passed the final 12 yards to Harold Riley for the score. Hank Dickerson added his second PAT for the day.

All-American quarterback Adrian Burk completed five passes for 69 yards, with two of the completions going to Riley. James Parker also hauled in a Burk aerial for 23 Baylor yards.

James Parker led the Baylor rushing attack with 43 yards on eight carries.

Pepper Rodgers kicked a 13-yard field goal with three minutes remaining to give Georgia Tech a 17-14 come-from-behind victory over Baylor in Miami's Orange Bowl contest.

Tech scored 10 fourth quarter points on Rodgers' effort and a Buck Martin touchdown reception, while holding Baylor scoreless to nip the 8-1-1 Bears.

Bear fullback Dick Parma scored the game's first touchdown from a yard out and the legendary C. O. Brocato added the PAT as Baylor led 7-0 in the first quarter.

After Tech knotted the score at 7, Baylor drove 63 yards, capped by Jerry Coody's four-yard scoring blast, to give the Bears a 14-7 halftime margin.

Coody was the team's leading ground gainer during the regular season, picking up 570 yards on 125 carries.

But coach Bobby Dodd's Tech squad used Rodgers and Martin's last quarter heroics to take their comeback win.

The Orange Bowl loss was Baylor's second of the 1951 season, the first coming at the hands of TCU 20-7.

Larry Isbell, who threw for 1,430 yards during the regular season, attempted 18 passes against Georgia Tech, completing eight for 93 yards. Parma was the contest's top ground gainer with 107 yards on 19 attempts.

All-American end Stanley Williams, who caught 37 regular season passes for six touchdowns, and Harold Riley each caught three Isbell passes. And defensive back Robert Reid, who established a school interception record with 11 regular season swipes, intercepted one pass from Tech quarterback Darrell Crawford.

Thirteenth-ranked Auburn scored five of the first six times they touched the football on their way to a 33-13 thrashing of Baylor in the 1954 Gator Bowl.

The Tigers, who established three Gator Bowl records and tied another in the rout, outgained Baylor 476 to 239 in total yardage.

Bear all-conference halfback Del Shofner fumbled the opening kickoff and the Tigers recovered on the Bear 27-yard line. Five plays later, Auburn scored the game's first touchdown and led 7-0.

Baylor tied the game by driving 63 yards in nine plays, the majority coming off a Billy Hooper pass to Charles Smith. Fullback Reuben Saage scored from a yard out and Smith kicked the conversion to tie the game at 7.

But before Baylor scored again, Auburn led 27-7.

Joe Childress, the game's leading yard gainer with 134 steps, scored his second touchdown of the game and Bob James added a 43-yard scoring jaunt to give Auburn a 21-7 halftime edge.

Tiger quarterback Bobby Freeman gave his squad a 27-7 lead on a six-yard romp.

All-America halfback L. G. (Long Gone) Dupre butted his way for a 38-yard scoring play to cut the lead to 27-13 midway through the third quarter. Dupre, the Bears' third leading rusher during the regular season behind Shofner and Allen Jones, finished his team's leading rusher against the Tigers with an 69 yards.

Freeman completed the scoring with a four-yard fourth quarter pass to end Jimmy Long.

Hooper, an all-conference honoree, finished with nine completions in 15 attempts for 112 yards, with four of the aerals going to Smith.

Dupre returned three Auburn kickoffs for 85 yards as the Bears finished 7-4 for the season. Shug Jordon was the winning Auburn coach while George Sauer saw his Bears go down to defeat.

Reuben Saage recovered Tennessee All-America halfback Johnny Majors' fumble of a Del Shofner punt and Baylor then drove 15 yards for the winning touchdown in the Bears' 13-7 upset over the undefeated Volunteers in the 23rd annual Sugar Bowl.

Bear quarterback Buddy Humphrey scored the winning touchdown on a one-yard sneak and Don Berry added the conversion for the 10-2 Bears of coach Sam Boyd.

Baylor scored first, despite being a one-touchdown underdog, when quarterback Bobby Jones threw a 12-yard scoring strike to Jerry Marcontel in the second quarter.

But Majors, who averaged 5.1 yards per rush, who completed better than 60 percent of his passes and punted for a 42.3 yard average during the regular season, gave the Volunteers the lead in the third quarter by reaching pay dirt from a yard out. Sammy Burklow added the PAT and Tennessee led 7-6.

After the Volunteers held Baylor on their first possession of the fourth quarter, Shofner punted to the Tennessee eight. Majors returned the kick seven yards before coughing up the pigskin and Saage was there to make the big play for Baylor.

The contest matched the Southeastern Conference champion Vols against Baylor, who suffered a 7-6 loss to Texas Christian and a 19-13 setback to Texas A&M during the regular season.

Tennessee and coach Bowden Wyatt swept through a 10-game schedule in which they conquered five teams that participated in bowl games New Year's 1956. Only seven points separated Baylor from an unbeaten record.

Baylor halfback Del Shofner, running behind an offensive line headed by all-American Bill Glass, finished with 88 yards rushing in 14 carries and also intercepted on Volunteer aerial. For his play, Shofner, who scored ten touchdowns during the regular season, was voted the game's outstanding player.

Bobby Peters contributed 60 yards rushing for Baylor while Saage added 39 steps. Bear quarterbacks Humphrey, Bobby Jones and Doyle Traylor could only complete three passes, all going to end Morcontell.

Peters added 54 yards in kickoff runbacks.

Coach John Bridgers' pro-modeled Spread-T Baylor offense could muster only two touchdowns against a swarming Florida defense as the Gators took a 13-12 decision in the 16th annual Gator Bowl.

On the Bears' first possession of the second quarter, a pitchout from quarterback Ronnie Stanley to all-American halfback Ronnie Bull was mishandled and Florida's Chet Collins recovered on the Baylor 20-yard line.

It took the Gators five plays to score and fullback Don Goodman plunged the final three for the tally. Bill Cash added the conversion and Florida led 7-0 with 8:42 remaining in the half.

Coach Ray Graves' squad extended their lead to 13-0 later in the same stanza when Gator defender Ronnie Slack recovered a Stanley fumble in the end zone for the quick six points.

Florida traveled 20 yards for their two scores while Baylor went 139 steps for the same results.

Down 13-0 in the fourth quarter, the Bears, who finished 8-3, put forth a furious surge that resulted in 12 points.

On the first play of the quarter, quarterback Bobby Ply threw 11 yards to Ronnie Goodwin for the score, ending a 71-yard, nine-play drive.

With 1:01 remaining, Ply, who threw for four touchdowns during the regular season, and Stanley put the Bears in position to score with three completed aerals. Bull, Baylor's leading rusher and scorer, went the final three steps for the score. However, the two-point try from Ply to Goodwin was juggled and dropped and the Gators had their hard-earned victory.

Ply established a new Gator Bowl record with 13 completions and teamed with Goodwin (seven receptions) for five.

Eight Utah State turnovers and outstanding performances by halfback Ronnie Bull and sophomore quarterback Don Trull led Baylor to a 24-9 victory over Utah State in the inaugural Gotham Bowl at the Polo Grounds.

Baylor recovered their first of five Utah fumbles and went 45 yards to score the first time it had the ball. Bull, who had 86 total yards and was voted the game's Most Valuable Player, scooted 15 yards for the initial Bear touchdown.

In the second quarter, Carl Choate kicked a 22-yard field goal for Baylor and Trull added the third score on a quarterback sneak coving two yards. Trull, who passed for 116 yards against the nation's number two defensive unit, connected with Ted Plumb for a 38-yard fourth quarter touchdown pass to end Baylor's scoring.

Choate was perfect in three extra point tries and Bull and Plumb combined for seven pass receptions.

Utah State, who entered the game with a 9-0-1 mark and a share of the Skyline Conference championship, was favored to beat coach John Bridgers' Bears, who finished with a 5-5 regular season slate.

Coached by John Ralston, the Aggies featured three standouts who later starred in professional football: all-American tackle Merlin Olsen, quarterback Bill Munson and place-kicker Jim Turner.

The 5th annual Bluebonnet Bowl at Rice Stadium saw Baylor All-American quarterback Don Trull finish his collegiate career in grand style in the Bears' 14-7 win over Louisiana State.

Trull, voted the contest's most outstanding back, completed 26 of 37 passes for 255 yards and both Baylor touchdowns. End James Ingram, the game's most outstanding lineman, caught 11 of Trull's passes for 163 yards and seven- and 13-yard scoring strikes.

The Bears totally dominated their opponent, running 80 plays to LSU's 39 and racking up 394 total yards compared to the Tigers' 108.

Dalton Hoffman was the leading rusher for both teams, gaining 70 yards for Baylor, who ended the season 8-3. Tom Davies kicked both Baylor conversions.

The Tigers scored first, moving 43 yards in seven plays in the first quarter. Bill Soefker went the final eight steps for LSU and the Tigers led 7-0.

Baylor scored their first touchdown with 13:10 remaining as Trull hit Ingram for the seven-yard strike. The Bears moved 68 yards in ten plays for the score with Trull completing three passes.

On their next possession, the Bears drove 70 yards in 11 plays for the winning score. Four completed Trull attempts, two each to Lawrence Elkins and Ingram, highlighted the scoring march.

Baylor, who lost to Oregon State, Texas and Kentucky during the regular season, was led during the year by All-Americans Trull and Elkins, all-conference tackle Bobby Crenshaw and top rusher Hoffman.

Quarterback Tom Shuman established Cotton Bowl records in passing and total offense and flanker Jimmy Cefalo did likewise in receiving yards in Penn State's 41-20 decision over Baylor in the 1975 Classic.

For the fifth time in their 10-victory 1974 season, the Lions came from behind to win. The victory spoiled Baylor's first appearance in the Dallas event, coming on the heels of the school's first Southwest Conference championship since 1924.

Baylor captured a 7-0 first quarter lead with Steve Beaird's four-yard blast. Bubba Hicks added the PAT conversion with 44 seconds remaining in the opening quarter.

A Matt Bahr 25-yard field goal closed the Bears' lead to 7-3 at intermission.

After the Nittany Lions took their first lead off Tom Donchez' one-yard blast, all-conference quarterback Neal Jeffrey put Baylor ahead 14-10 with a 35-yard scoring toss to end Ricky Thompson.

Three touchdowns, two by Cefalo and one by Shuman, and another Bahr field goal gave Penn State a 34-14 lead with 3:32 remaining. But the Bears, who finished 8-4 for the year, refused to fold and with 19 seconds left reserve quarterback Mark Jackson teamed with Thompson for a 11-yard touchdown.

On the ensuing kickoff, Hicks tried an onside kick only to watch Lion Joe Jackson scoop up the loose pigskin and race 50 yards for another Penn State score with two seconds left.

Baylor junior safety Ken Quesenberry, who had 12 tackles and one interception, was named the game's most Outstanding Defensive Player. Defensive back Tom Turnipseede added 11 tackles for the Bears and also recovered a Donchez fumble.

Senior Phillip Kent, one of eight Baylor all-conference selections playing in the game, returned three Nittany Lion kickoffs for 58 yards.

Thompson and tight end Sam Harper each caught three passes.

Quarterbacks Mike Brannan and Mickey Elam passed for 86 yards each to spark the Baylor Bears to a 24-18 upset win over the 17th-ranked Clemson Tigers in Atlanta's Fulton County Stadium.

The win vaulted coach Grant Teaff's Bears into 14th place on the Associated Press' final college football poll. The 8-4 Bruins were beaten during the regular season by Alabama, Houston, Arkansas and Texas, all members of the top ten.

With the Tigers leading 7-0, Brannan teamed with Bo Taylor on a three-yard touchdown toss to knot the score following Robert Bledsoe's extra point. The tally came eight plays after Baylor recorded its first of two blocked punts against Clemson kicker David Sims.

They forged ahead 14-7 with 12:20 left in the second quarter when Brannan, voted the game's Most Valuable Offensive Player, connected with Robert Holt for a 24-yard scoring strike.

Baylor's final ten points resulted from a Bledsoe 29-yard field goal and a scoring pass from Elam to Raymond Cockrell that covered seven yards.

Senior defensive end Andrew Melontree, voted the game's Most Valuable Defensive Player and linebackers Doak Field and All-American Mike Singletary led a Baylor defense that held an 8-3 Clemson offensive unit to 67 yards rushing.

Elam and tailback Walter Abercrombie set a Baylor bowl record when the duo teamed for a 63-yard pass completion in the third quarter to set up Bledsoe's field goal.

Coach Paul "Bear" Bryant's Alabama Crimson Tide completely dominated Baylor in the 45th annual Cotton Bowl on their way to a 30-2 rout.

The Bears, ranked as high as sixth place in the nation during the regular season, closed an outstanding 10-2 and Southwest Conference championship campaign by dropping their second Cotton Bowl game in as many tries.

Alabama, who closed a 10-2 year with the win, took advantage of four Baylor fumbles and also intercepted three Bear passes to roll up a 339-158 total yardage advantage.

Three Peter Kim field goals and scoring runs by Major Ogilvie, Don Jacobs and Mark Nix put the Crimson Tide on the scoreboard while a Tommy Tabor first quarter safety made the only points the Bears could muster.

The league-leading Baylor offense netted 54 yards rushing, 18 by quarterback Jay Jeffrey. SWC champion runner Walter Abercrombie was held to nine yards on eight attempts by the Alabama defense.

Fullback Dennis Gentry was the leading pass receiver in the game, grabbing five receptions while Robert Holt added three others. Also, Gerald McNeil accumulated 100 yards in kickoff and punt returns for the Bears.

Tabor and all-conference linebacker Doak Field led the Baylor defensive charge with 15 stops each. All-American middle linebacker Mike Singletary, all-league safety Vann McElroy and linebacker Lester Ward each had 12 tackles for Baylor.

Baylor, following the New Year's Day defeat, dropped to 14th place in the final football poll.

Oklahoma State raced to a 21-0 lead in the first half before finally holding off Baylor, 24-14 in the 25th annual Bluebonnet Bowl at the Astrodome.

Aided by a roughing-the-passer call and fine running by Alfred Anderson and Broderick Sargent, Baylor drove 87 yards in eight plays for its first score. Cody Carlson hit All-American Gerald McNeil with a 12-yard TD strike.

Oklahoma State scored its final points of the night on a 44-yard field goal by Larry Roach after Jim Mueller's onside kick attempt failed. The Cowboys drove from midfield to Baylor's 27-yard line before settling for the field goal with 21 seconds left in the half.

Rusty Hilger missed the second half after being knocked out by BU linebacker Robert Watters and was replaced by reserve quarterback Ike Jackson. Jackson moved OSU to the Baylor five early in the third quarter but Thomas Everett, Aaron Grant and Kevin Hancock led one of BU's best defensive stands of the year. Roach's field goal attempt was blocked by Ervin Randle.

Both of Baylor's interceptions came in the last period; Tom Muecke and Cody Carlson threw one each as the Bears hurried to catch up. on McNeil took a 28-yard halfback option pass from Anderson and Marty Jimmerson kicked the PAT to cut OSU's lead to 10 with 5:14 remaining. Baylor's hopes were dashed for good when Muecke was trapped for a loss of five on fourth down with 1:10 showing on the OSU 45.

Hancock led Baylor defensively with 14 tackles while Paul Mergenhagen added 10.

Anderson was selected Baylor's MVP after rushing for 103 yards on 21 carries. McNeil's 163 yards receiving tied the individual bowl record set 20 years earlier by another Bear—James Ingram

Baylor	7	3	3	8 — 21

Baylor fashioned one of its finest bowl efforts ever in beating LSU 21-7 in the 27th Liberty Bowl Football Classic.

The Bears dominated virtually every phase of the game. They gained 489 yards total offense to the Tigers' 192. Baylor led in first downs (26-9), rushing yards (215-92), passing yards (274-101), yards per snap (5.4-3.3) and time of possession (37:14-22:46).

The Baylor defense played so well the second half LSU gained only 72 yards on 26 plays. In the third quarter the Tigers had 11 yards total offense on nine snaps.

LSU got on the board first with a 79-yard Norman Jefferson punt return. That play, a Liberty Bowl record, came with 5:17 remaining in the first quarter and turned out to be LSU's only fireworks of the cool, clear evening.

The Bears took the ensuing kickoff and marched 80 yards in seven plays to knot the score at seven. On a third and goal from the five, quarterback Cody Carlson hit a diving Matt Clark in the corner of the end zone. Terry Syler added the extra point.

Syler made it 10-7 with his 29-yard field goal with 5:36 left in the first half and upped the score to 13-7 with a 35-yarder early in the third quarter.

Baylor's final tally came when Carlson connected with John Simpson on a 15-yard scoring strike with 10:42 left to play. The junior quarterback, who was named the game's Most Valuable Player, then hit Clark for a two-point conversion, making the final score 21-7.

In addition to Carlson, Simpson was named Baylor's Outstanding Offensive Player on the strength of his three catches for 117 yards, including a 59-yarder which helped set up a Syler field goal. Cornerback Ron Francis, who had an interception, fumble recovery and six tackles was named Baylor's Outstanding Defensive Player.

Baylor - 21 Colorado - 9

Baylor's defense, led by Most Valuable Player Ray Berry, stymied Colorado's wishbone offense to key a 21-9 Bear win in the 28th annual Bluebonnet Bowl.

The Bears limited the Big Eight runner-up Buffaloes to only 194 total net yards, 83 of which came on the ground. Berry, called a "one man wrecking crew" by sportswriters after the game, accounted for 12 tackles, three of which resulted in 12 yards in losses.

With the win Baylor finished the season 9-3 and ranked as the Southwest Conference's highest team in the national polls. Sports Illustrated listed the Bears in the No. 8 spot while the Associated Press ranked BU No. 12 and the United Press International No. 13.

Colorado found out early what kind of day it would be for the Baylor defensive squad. They managed only one field goal and 77 yards total offense in their first eight possessions through nearly three quarters of play. Meanwhile, Baylor's offense did what it had to do, scoring a touchdown in each of those first three quarters.

The first Bear TD capped a 12-play, 64-yard drive in the first quarter. The drive was kept alive by a CU offsidess penalty when Baylor was in punt formation. The highlight play was a 22-yard run off tackle by Derrick McAdoo down to the Colorado five. Four plays later, McAdoo, a senior from Houston, dove over from the one on a fourth-down play.

Baylor next hit pay dirt midway through the second stanza. It took only three plays to go eight yards after Keith Rose recovered an errant Colorado pitch. Quarterback Cody Carlson hit flanker Darnell Chase in the corner of the end zone on a two-yard scoring strike.

Another turnover gobbled up by the BU defense set up Baylor's final score. Robert Watters sacked the Buff QB and Berry recovered on the 21. It took only four plays, one of which was a 17-yard shot from Carlson to Matt Clark, before McAdoo tied the BU school record with two TDs in a bowl game.

The rest of the way it was just a matter of letting the defense do its thing while younger players got valuable experience. Carlson saw no action in the fourth quarter because of a bruised shoulder.

In addition to scoring twice McAdoo led Bear rushers with 36 yards. Jeffrey Murray was right behind with 35. Carlson completed 11 of 22 passes for 136 yards and Clark was the biggest recipient. he caught three for 58 steps.

1991 Copper Bowl—at Tucson, AZ

Indiana - 24 Baylor - 0

Indiana	7	10	0	7 — 24
Baylor	0	0	0	0 — 0

Baylor watched two golden scoring opportunities slip through its hands while Indiana used a patient balanced attack to grind out a 24-0 victory over the Bears in Copper Bowl III in Tucson, AZ.

Indiana jumped to a 7-0 lead, largely on the rushing of All-American Vaughn Dunbar, who finished the game with 106 yards and the Most Valuable Player Award. Late in the first quarter the Bears were driving nicely before a drive stalled at the Hoosier 21.

Lining up in field goal formation, Baylor opted for a fake pass from holder Kent Brentham to kicker Jeff Ireland. Ireland was totally uncovered on a pattern for the endzone, but the pass scraped off his fingertips.

That mishap seemed to set a pattern for Baylor's 14th bowl game and first west of Waco. IU added a field goal after a long drive late in the first and it seemed like Baylor had a chance to regroup while down by only 10 at the half. But the Hoosiers got the ball back with 2:37 remaining and drove 80 yards in 10 plays to go up 17-0 at the half.

The third quarter proved to be a defensive struggle until the Bears drove from their 22 to the IU six. Then, with Baylor having a chance to get back into the game, Robert Strait fumbled into the endzone after he and quarterback J.J. Joe never quite made connections on a handoff.

With another opportunity gone, Baylor could do little the rest of the game. The Hoosiers added another score to make it 24-0 at the end. Their final scoring march went 60 yards on 12 plays and consumed 6:48.

IU led in virtually every statistical category, but not to the extent which the final score would indicate. They rushed for 147 yards, compared to Baylor's 138. They passed for 176 yards while BU had 131. The time of possession chart favored Indiana 32:55 to 27:05. The real story for Baylor seemed to be lost opportunities and mental lapses which Indiana did a fine job of exploiting.

Le'Shai Maston was one of a few bright spots for Baylor as he had 13 tackles from his linebacker spot. Cornerback Frankie Smith added nine tackles and had 53 yards on five punt returns.

The Bears finished the season 8-4.

Baylor - 20 Arizona - 15

Arizona	3	10	0	2 — 15
Baylor	0	7	7	6 — 20

The Grant Teaff era of Baylor football concluded in grand style as Baylor used big plays both offensively and defensively to hold off Arizona 20-15 in the 1992 John Hancock Bowl.

The Wildcats, who brought perhaps the nation's best defense into the game, out-gained the Bears 418 yards to 249, but BU had touchdown passes of 61 and 69 yards and the defense had a brilliant goal line stand and held UA to field goals twice.

UA jumped to a 10-0 lead midway through the second quarter. Steve McLaughlin had to settle for a 22-yard field goal after the Bear defense stopped five plays inside the Baylor six and George Malauulu scored on a quarterback draw from seven yards out.

As the first half was coming to a close Baylor struck paydirt with a halfback pass from freshman Brandell Jackson to Melvin Bonner for a 61-yard TD with 2:37 remaining. UA came back very quickly to reach the BU two, but again the defense stiffened and allowed only a field goal.

It had been mostly Arizona through two quarters, but Baylor grabbed the lead for good on just the second play of the third quarter when QB J.J. Joe hit Bonner for a 69-yard scoring toss. It was a simple out-route on which Bonner broke a tackle and sprinted down the sideline for the score.

The rest of the way rains became heavier and the contest turned into a battle of defenses. The highlight of the day came when Arizona moved the ball down to the Baylor eight only to be stopped on the one after four attempts. Robbie Birlleson and Le'Shai Maston were credited with the final three tackles.

Baylor managed two field goals in the fourth quarter, a 32-yarder and 35-yarder, both by Trey Weir and UA scored when the Bears took an intentional safety. The BU defense held twice again late, stopping drives on their own 22 and 28. The final stand came with time running out and Malauulu passing into the endzone.

While the Bears' offense was limited by one of the nation's best defenses and a steady rain, it did what it took with the big plays and field goals. Meanwhile, the BU defense gave up some yards, but not many points. Maston was brilliant as he led all tacklers with 11, five unassisted. Defensive tackle Scotty Lewis and defensive back Michael McFarland had 10 stops each and linebacker Shawn Cravens and safety Chris Lewis added seven.

This Is Baylor University

From Botchey Koch (above), the first consensus All-American in Southwest Conference history, to Roger Goree (right), Grant Teaff's first Baylor All-American in 1972, to Santana Dotson (upper right), a 1991 consensus All-American, the All-American tradition runs deep at Baylor.

A Vision of Excellence

Backed by tradition and aimed toward the future, Baylor University provides students with the opportunity to grow in a unique environment. From new facilities to international academic programs, Baylor is constantly expanding to meet the needs of its 12,000 students everyday.

Throughout its 148-year history, Baylor has remained consistent in the pursuit of educational excellence. It is the individuals comprising the faculty, administration, and student body which make Baylor what it is today: a university with a vision of excellence for the future.

A Few More Facts...

Baylor University was chartered by the Republic of Texas in 1845 and is the oldest university in continuous existence in the state. As the world's largest Baptist institution of higher education, Baylor strives to provide liberal arts and professional education in a Christian environment.

Baylor emphasizes high academic and personal standards: its primary goal is to prepare students to "make a living and make a life" in a democratic society. Students come to the university from all states, and Baylor welcomes a growing number of international students.

Baylor's undergraduate programs are available in the College of Arts and Sciences and five separate schools: Education, Music, Nursing, Hankamer School of Business, and the University School. Undergraduates may choose from 35 baccalaureate degree programs covering more than 110 major areas of study.

Baylor has approximately 650 faculty members who teach 96 percent of all classes. The student-faculty ratio is 19:1, and a typical class numbers 35 students.

Four basic forms of financial aid—scholarships, grants, loans and campus jobs—are available and are based on merit and need. About 60 percent of the student body receive assistance.

First Class Facilities

Continuing in the tradition of providing the best for its students, Baylor renovated the football stadium and completed construction of the Carl and Thelma Casey Athletic Center. The new complex supplies athletes with one of the finest facilities in the NCAA.

The building is the home for the athletic department, the Baylor Bear Foundation, as well as dressing, training and weight rooms for all athletic teams.

Stadium renovations included a new All-Pro Turf playing surface and new lights.

Training Advantages

The athletic department's new training facility provides athletes with the best of equipment and personnel.

The training room has enough treatment tables to tape 18 to 20 people at one time. The trainers utilize a physician's examination room and the latest in therapeutic treatment. This treatment includes a testing and rehabilitation system, which tests body parts to prevent injury and rehabilitates them after injury. A seven-person whirlpool is also available for treatment.

The training staff consists of two full time trainers as well as 30 student trainers and managers.

Head Trainer Mike Sims has been a full time member of the Baylor athletic staff since 1981. He is assisted by Becky Spurlock and Jerry Pate, two veteran trainers.

Academic Advisement

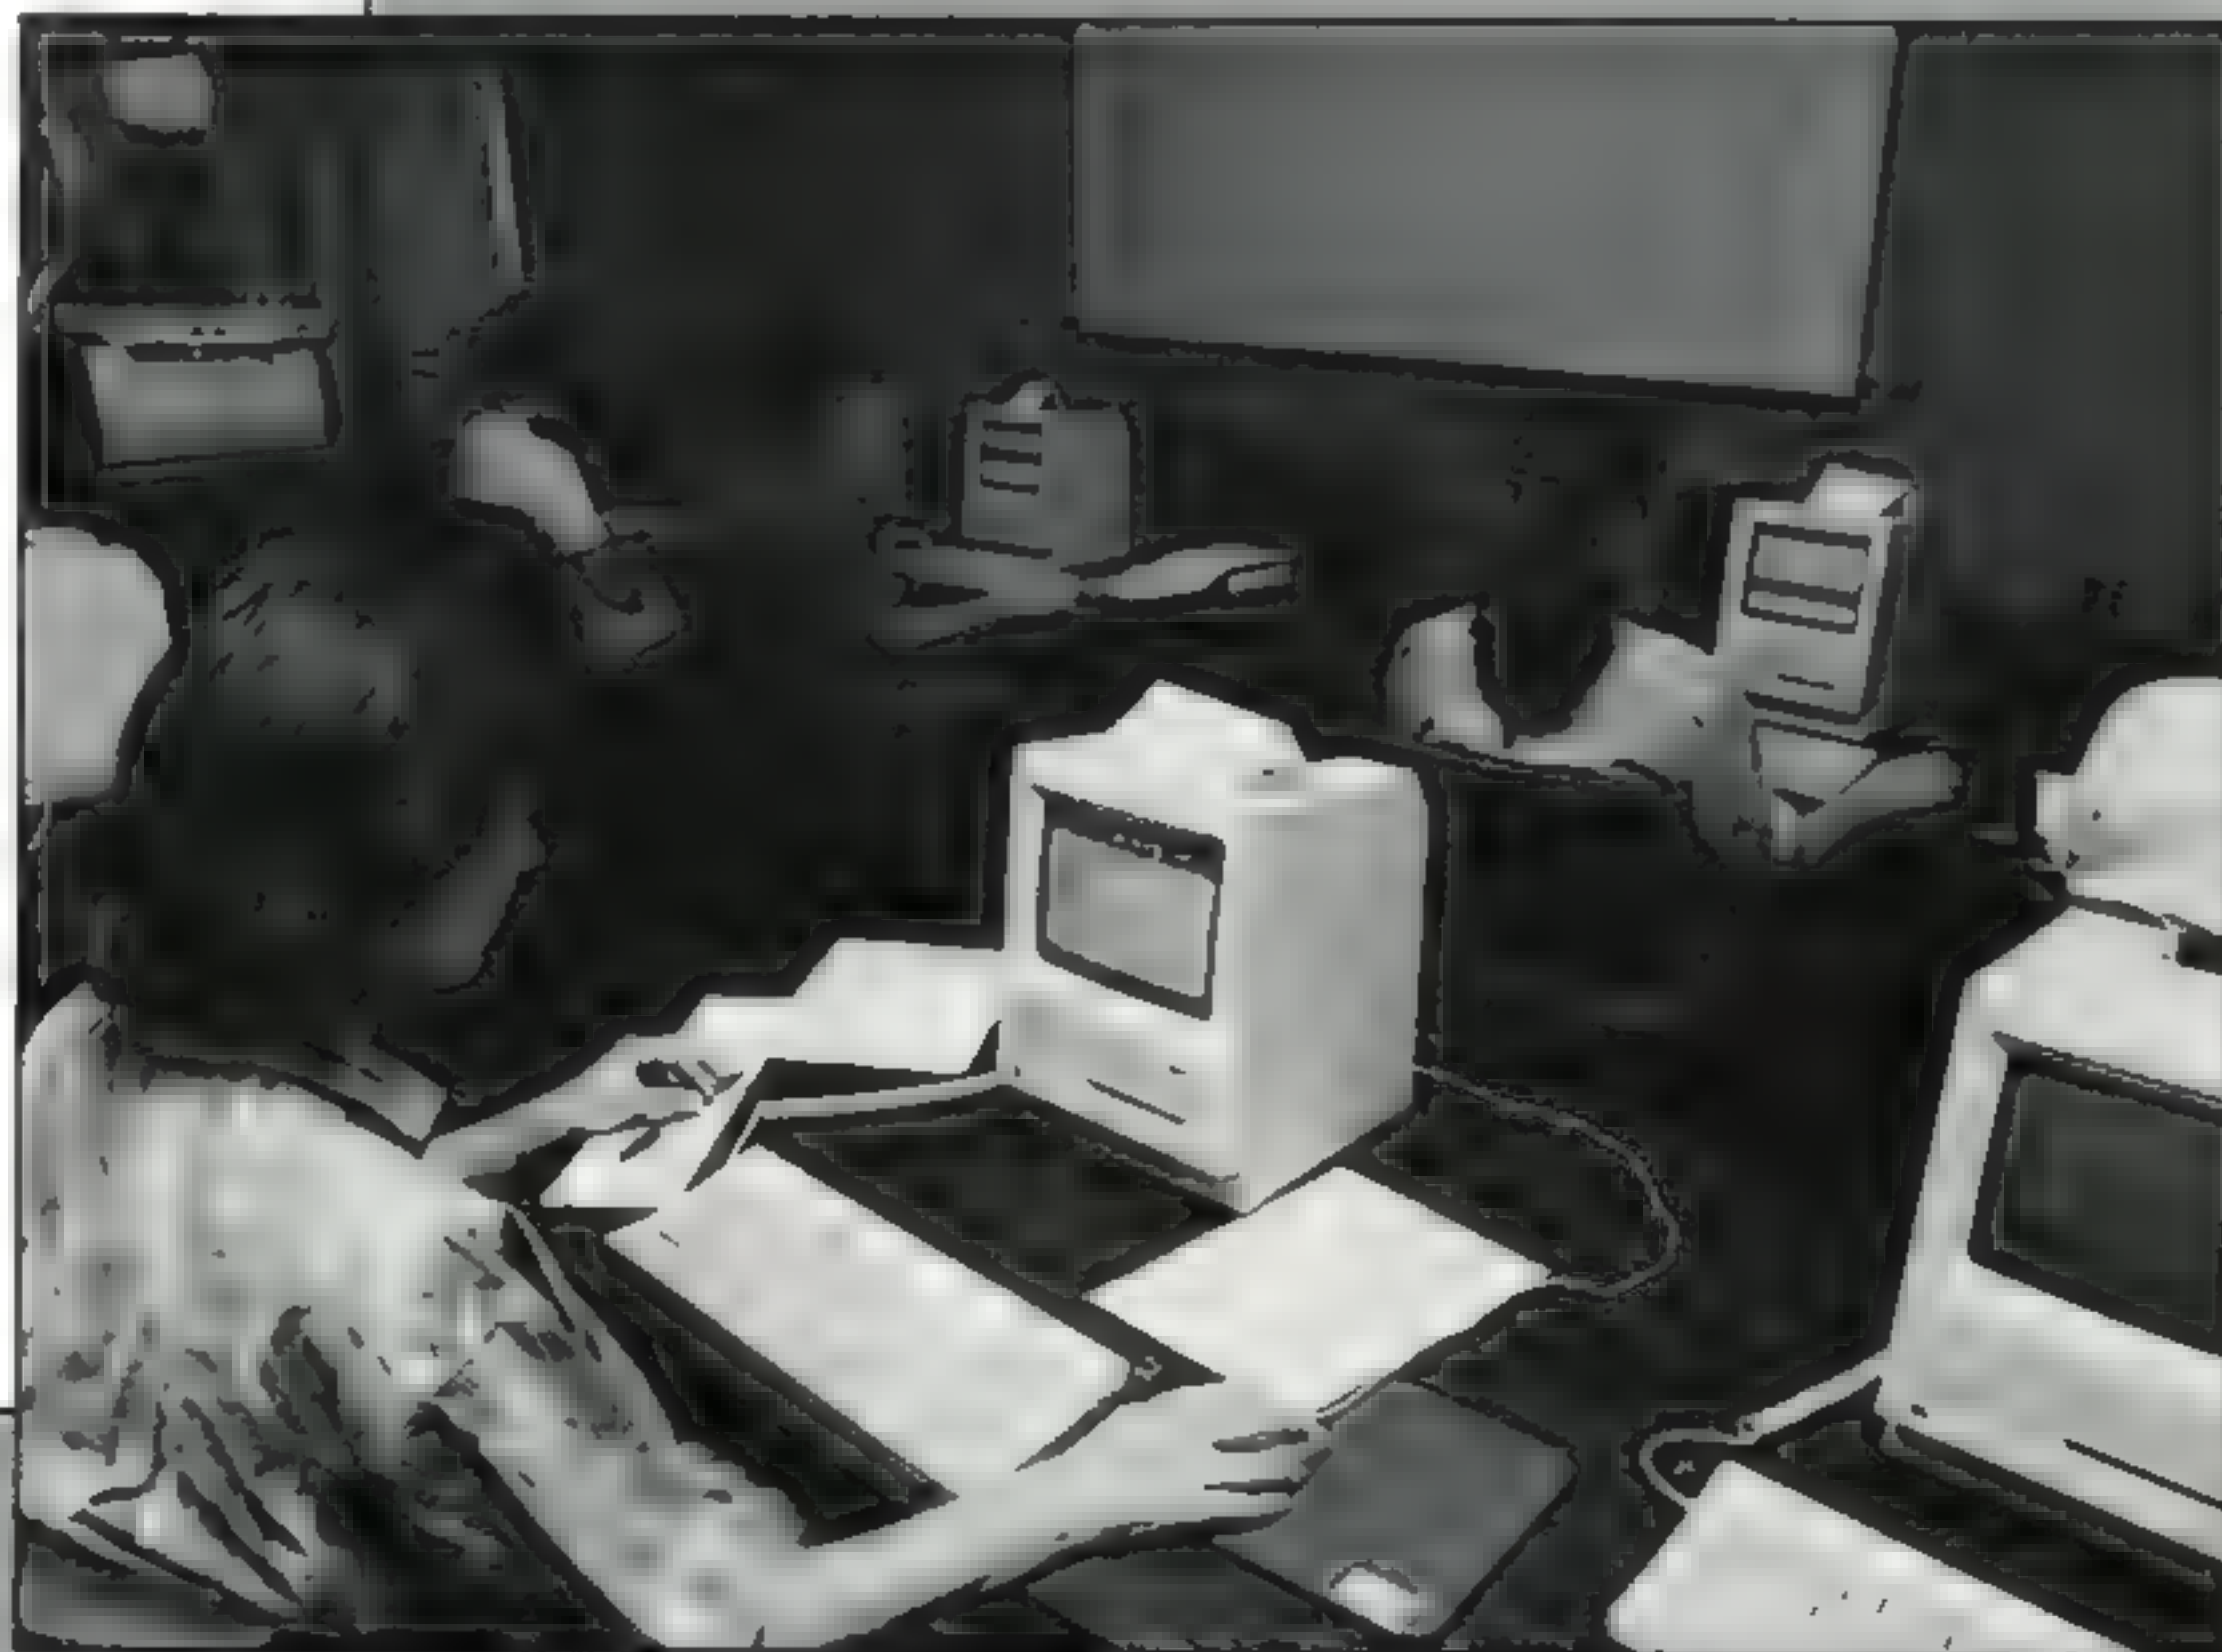

The fact that Baylor University graduates its athletes at one of the highest rates in the Southwest Conference (65 percent overall, 62 percent for football) is no accident.

All Baylor athletes are required to meet NCAA regulations concerning their academic standing. Becky Bradley, director of programs for the Office of Student Retention and Athletic Academic Advisement, personally advises the athletes. Bradley makes sure students take courses they need to complete their degree plan.

In order to provide athletes additional support, the office provides an academic support counselor and supervised study halls. These study halls are offered to all students who are advised in the office.

Tutors working in the study hall are primarily graduate students and are available whenever athletes need additional help.

In 1991-92 Baylor topped the SWC in graduation rates for football players, all male athletes, all female athletes and all athletes combined.

The "Quad"

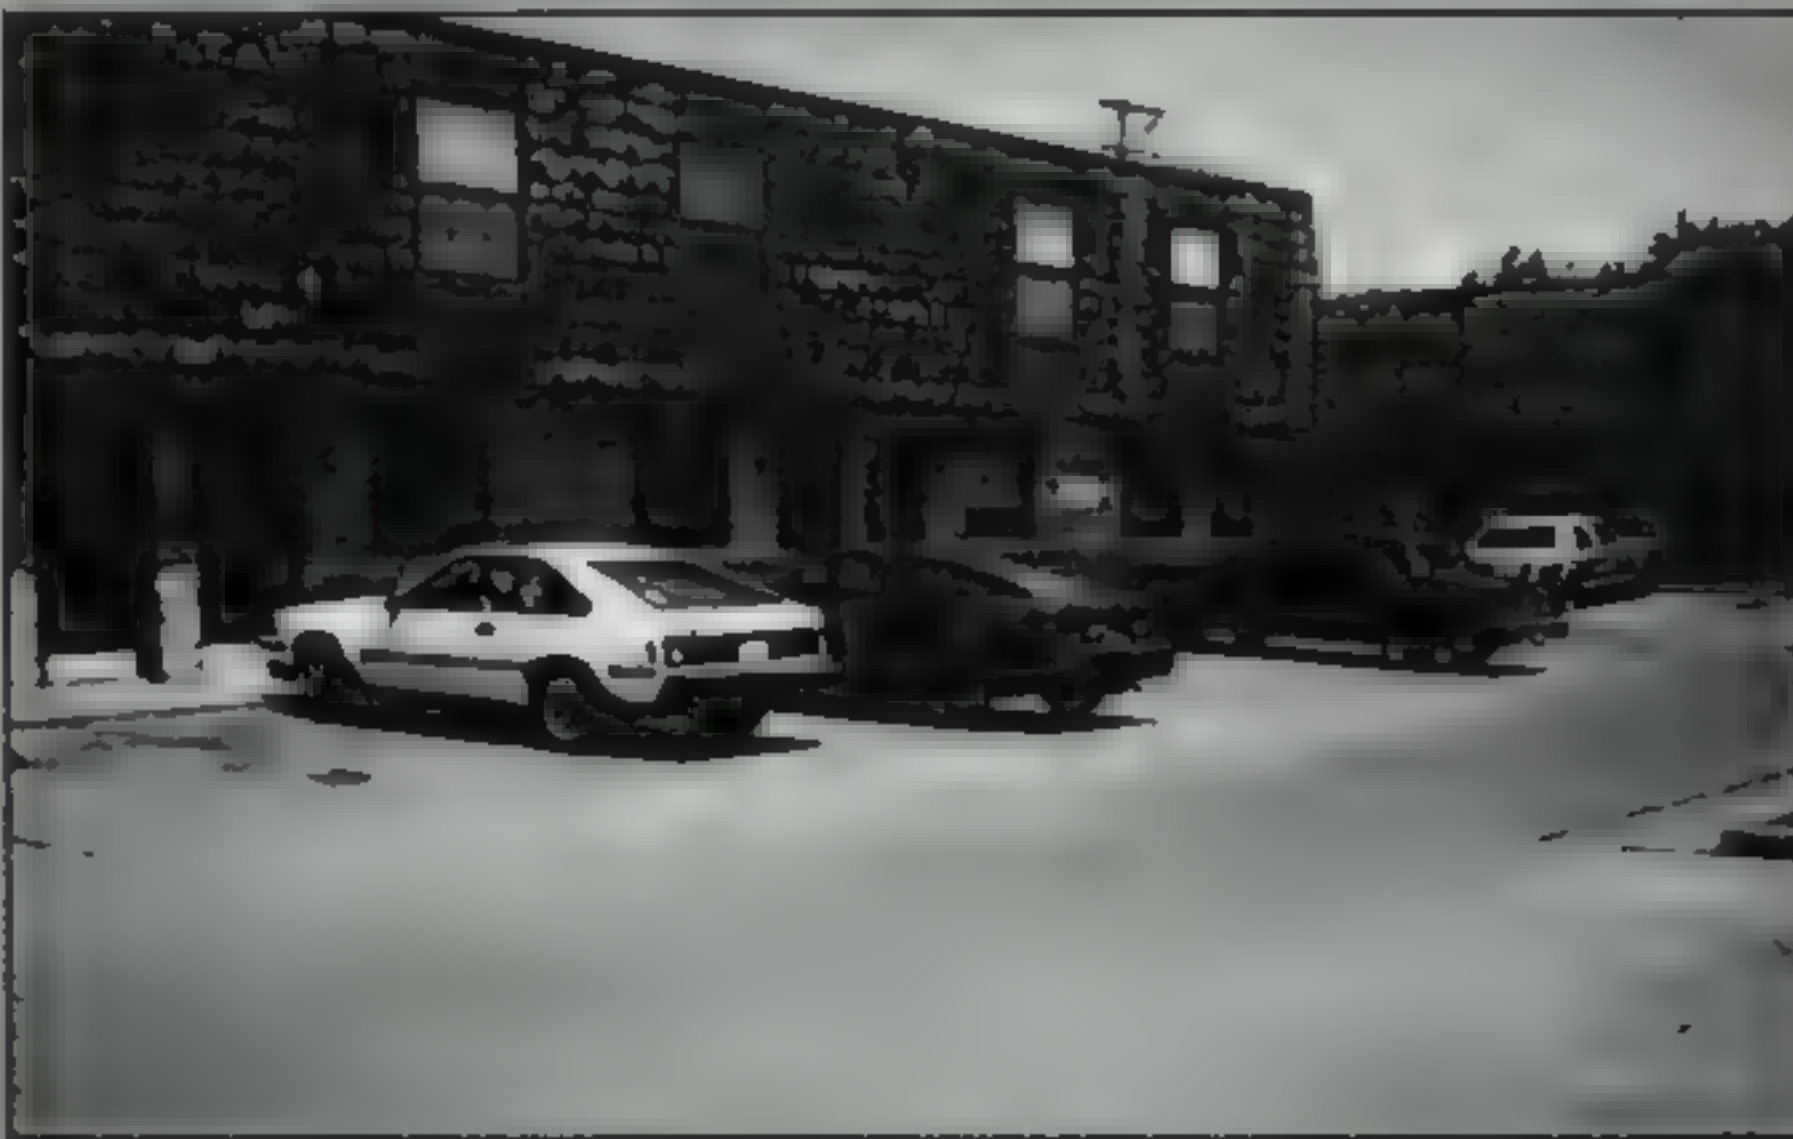

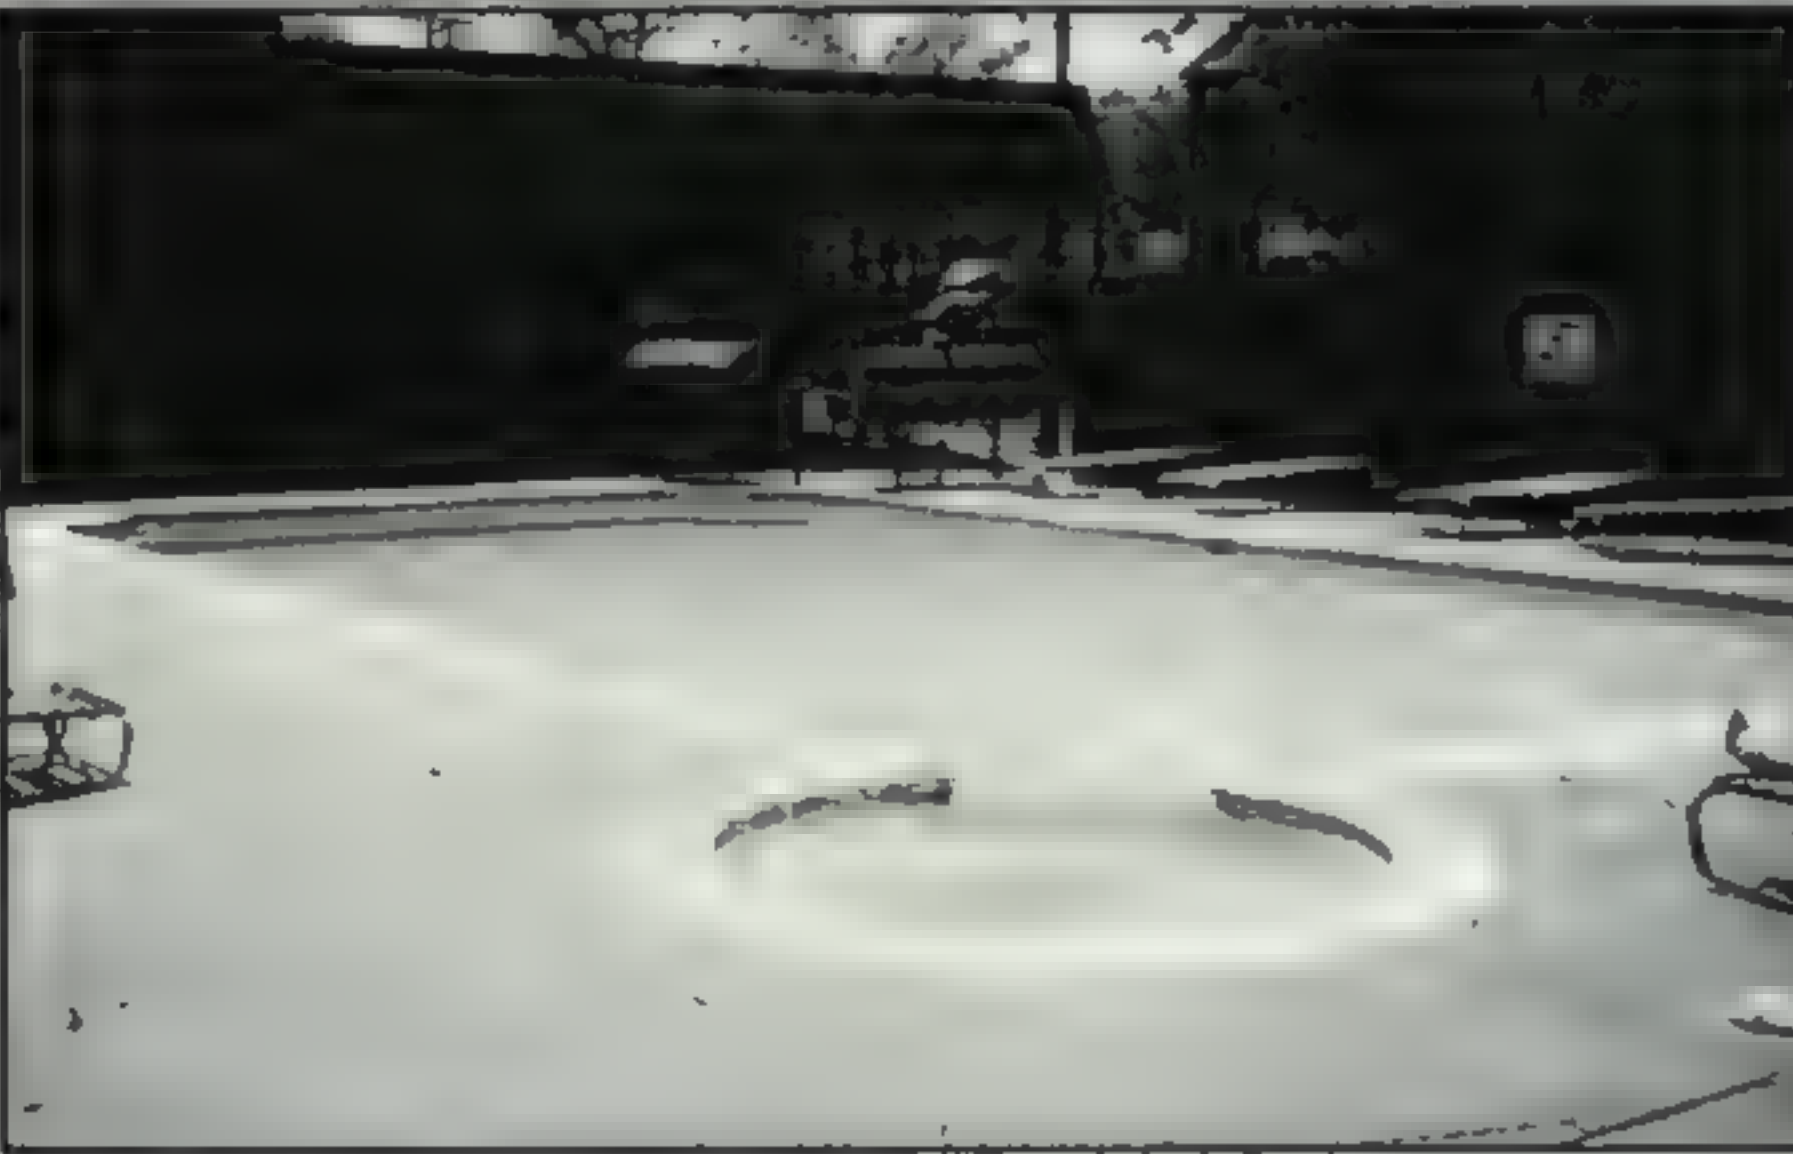

A Housing Alternative

The Quadrangle Apartments, located near the edge of campus, provide housing for many male athletes. An alternative to most athletic housing, the Quad is actual apartments which accomodate three persons per unit.

Each apartment is cable-ready and includes a full kitchen, two bedrooms, and one 1/2 bathrooms. Grade point average determines which athlete gets the single room.

An athletic dining hall is located within the complex and provides service to 100 athletes. The dining hall serves breakfast, lunch, and dinner.

Also within the Quad is a swimming pool, a hot tub, a club room with a 46 inch television, and a study room.

Baylor & Waco

A Perfect Combination

Baylor University has been an integral part of Waco since it moved to the area in 1886.

Baylor is located on the banks of the Brazos River, near downtown Waco. There are 110,000 people in Waco, which is close to the geographic center of the state.

Baylor is within 100 miles of Dallas, Fort Worth, and Austin. It is also within easy driving distance of Houston, San Antonio, and the Gulf Coast.

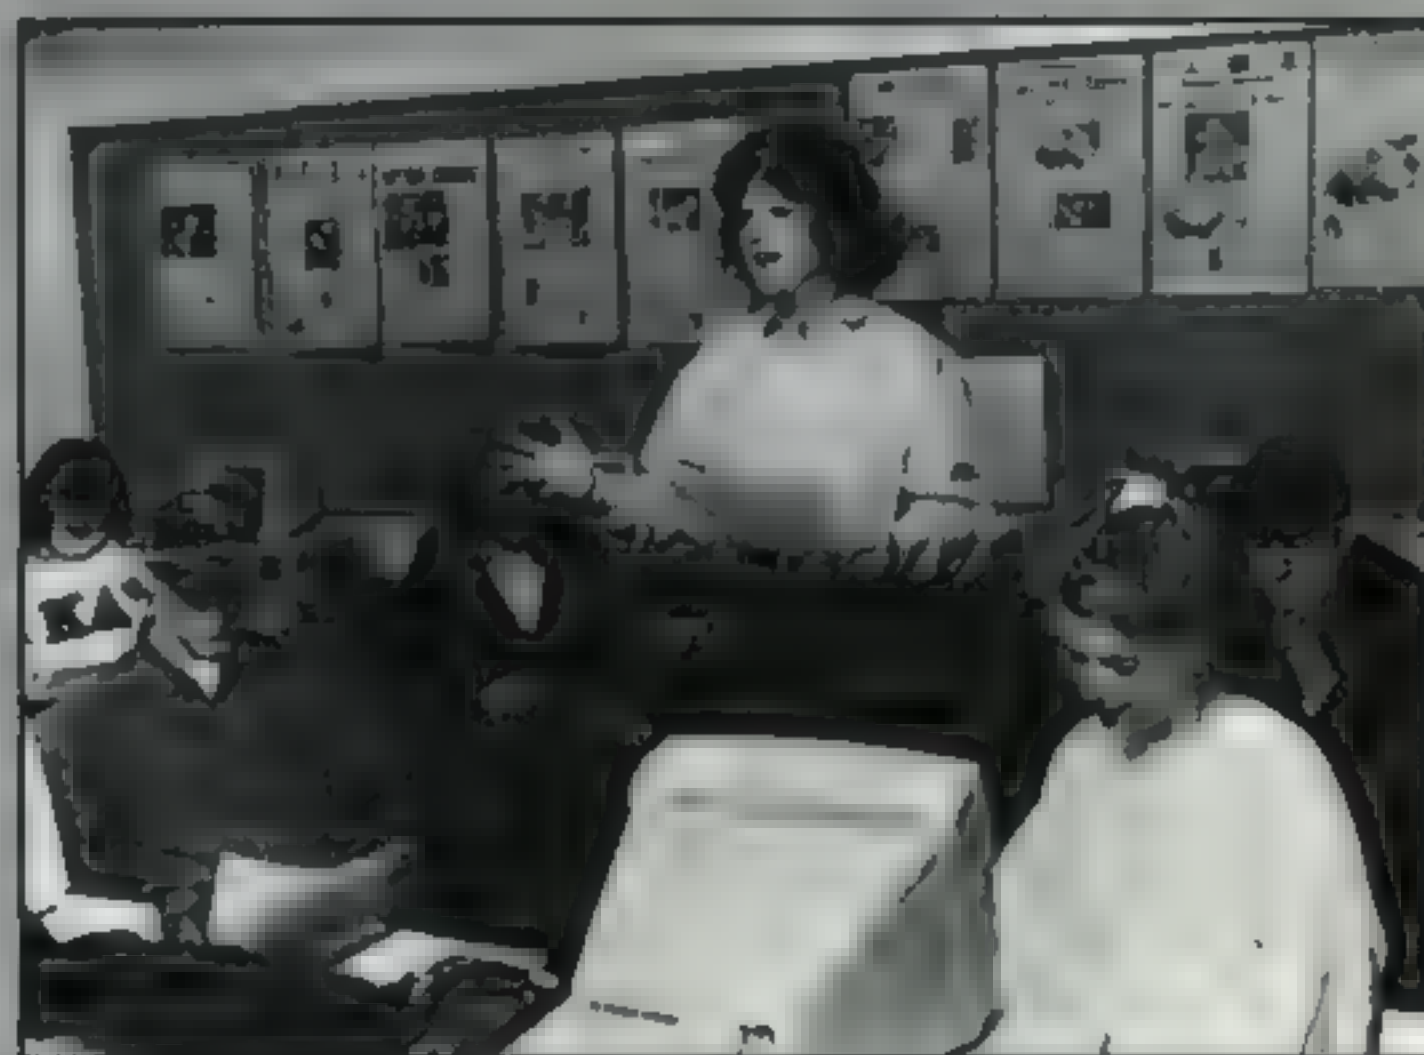

The city of Waco has many sights and events that Baylor students can enjoy. The Waco suspension bridge, designed by the Brooklyn Bridge creator, is the center of concerts, picnics and celebrations including the Brazos River Festival and Christmas on the Brazos.

Lake Waco, the largest urban lake in Texas, features five public parks with facilities for camping, boating and fishing.

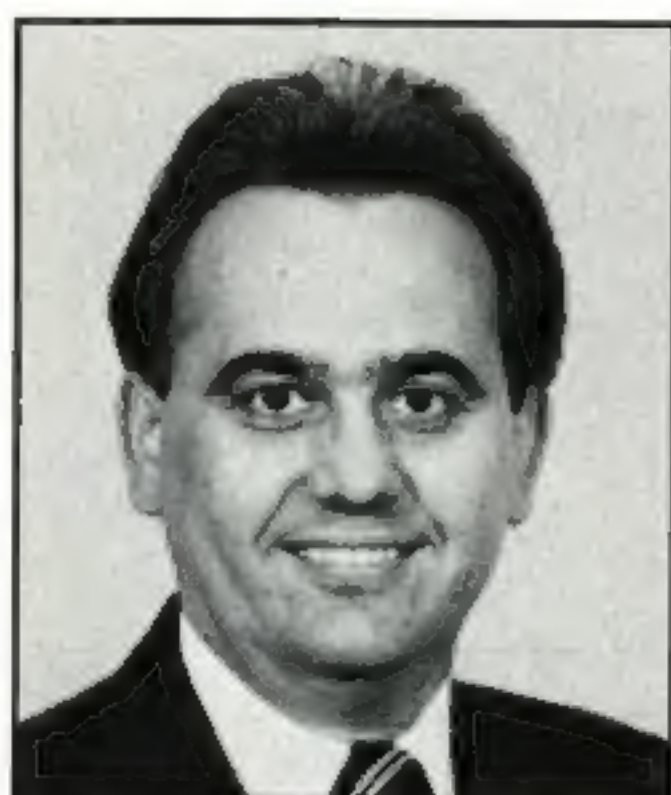

Museums around the Baylor area include the Strecker museum, on campus, which is the oldest natural history museum in Texas, and the Texas Sports Hall Of Fame, which features memorabilia from Texas sports greats.

Many other events in and around Baylor always provide students with something to do.
